EDITORS CORNER

Hello Cue,

The Cue CRC is closed until further notice. As such all services and activities are cancelled.

Please note we are still in the office, but the doors will stay locked until further notice.

The Services Australia Access Point (Centrelink) is open, via appointment only. Please also note that there have been delays with Centrelink via internet and phone, due to high numbers of new unemployed people across the country. As such clients will have to be patient.

If you would like anything printed out please send it to us via email and we'll print it out and allow you to pick up, by appointment only. EFTPOS payments only at this stage.

As you come into the Cue CRC you may be asked to wash your hands or use hand sanitiser, please don't be insulted—this is for the safety of the CRC staff and its clients.

We have also been advised that the Op Shoppe is closed, as well as the Tourist Park and the Shire Offices.

We will keep our Facebook page updated or you can email or phone us for more information.

Email: cue@crc.net.au

Phone: 08 9963 1198

FROM THE CEO

The world we live in is a markedly different place from a month ago, with COVID-19 impacting on all aspects of our daily lives. I would urge everybody to strictly adhere to guidelines on social distancing, self-isolation where necessary and travel restrictions, as these are vital for minimising the impact of the virus on our community. We have a significant portion of our population who are in a high risk category and limited medical facilities, the potential for disaster is clear.

The Western Australian Local Government Association has been providing daily updates to Council on the sector wide impact of COVID-19. In addition, the Shire President and I have been updated on the State Government's response to COVID-19, and the resulting State of Emergency arrangements, in a series of webinar meetings with State Government representatives including the Premier, Minister for Health, Minister for Local Government and WA's Chief Health Officer. We will ensure that we have the most up to date and reliable information available to assist us in negotiating our way through this crisis for the benefit of the community.

To assist in controlling the spread of the virus, the cleaning frequency of Council controlled public assets has been increased. The Shire office has also been closed to all personal contact. To contact the Shire, ring 9963 8600 or email shire@cue.wa.gov.au. As the situation changes, we will provide updates on our website, Facebook page and notice boards.

The library, water park, playgrounds and outdoor exercise area have all been closed to comply with a Federal Government order regarding closure of community facilities. The Tourist Park has also been closed, with current residents encouraged to vacate and return home in line with Federal and State Government advice. Due to individual personal circumstances, some residents will remain in place.

All social events scheduled within the Shire over the next six months have been reviewed. Barefoot Bowls has been suspended indefinitely. The official ANZAC Day program has been cancelled, following advice that the RSL had cancelled services across the state, however individuals are free to visit the memorial to pay their respects throughout the day, provided social distancing measures are maintained and there are no more than two people gathered at any one time. Many thanks to Cue Police who will ensure that the flag is lowered and raised. Yuck Circus has been postponed to a date to be determined. Q Fest has been postponed to the Western Australia Day long weekend in June 2021.

The State Government has introduced urgent changes to legislation allowing all Western Australian Councils to meet electronically. Public question time will remain, however the most appropriate way of allowing members of the public to ask questions and receive a response is still to be determined. Initially, questions may be submitted to the office for reading out during public question time. As we get more familiar with operating in an online environment, it may be possible to allow direct access to the meeting's software platform.

The WA Government has introduced further restrictions on travel within WA to assist in reducing the spread of COVID-19. After 11:59pm Tuesday, 31 March 2020, Western Australians will not be allowed to travel outside their designated region.

Western Australian intrastate travel is defined as movement through the boundaries of the regions of Western Australia. These regions are:

- Perth and Peel (due to their proximity, the Perth and Peel regions will form one region)
- South West
- Great Southern
- Goldfields-Esperance
- Mid-West
- Wheatbelt
- Gascoyne
- Pilbara
- Kimberley.

If you are currently outside of your region, you should return home immediately.

Police have the power to enforce these restrictions, and fines of up to \$50,000.

Exemptions will apply for:

- people travelling to work
- attending medical appointments
- transporting freight
- where necessary to attend school or an educational institution
- those who do not have access to groceries or supplies within their region
- approved compassionate grounds.

The local government areas within the Mid-West region are Carnamah, Chapman Valley, Coorow, Cue, Greater Geraldton, Irwin, Meekatharra, Mingenew, Morawa, Mount Magnet, Murchison, Northampton, Perenjori, Sandstone, Three Springs, Wiluna, and Yalgoo.

STAY INDOORS, STAY SAFE

Rob Madson
Chief Executive Officer, Shire of Cue

Next ordinary Council meeting - 6:30pm Tuesday 17 April 2020
By videoconference

Questions may be submitted for public question time by emailing shire@cue.wa.gov.au

Questions will be read out by a Shire officer and answers recorded in the minutes

POLICE BEAT

Traffic

G'day good people of Cue and We hope this edition finds everyone in our cuemmmunity in good health bearing in mind the situation the country finds itself in with regards the Coronavirus.

Look I'm not going to spruik on but as you will see and be aware, we Police will still be out on the highways and streets keeping an eye on things until this virus blows over.

I'm not sure how this will work but I'm guessing at this time, double demerits will still be in place over the Easter weekend from: -

00:01am Thursday 9th April until 23:59pm Monday 13th April 2020.

Because of the spread of the virus and how quickly things evolve, there will no doubt be changes but just a heads up for all the driver's out there, providing a "Lockdown" doesn't occur in between times and then there should be no-one out and about to earn double demerits hey!

As you will all be aware no mass Random Breath Testing will occur during these times, however Police will still target People who flout the Road Laws and as such breath tests and/or drug wipes will still be conducted.

Crime

There has been no reported crime since our last edition of the Police Beat, so well done all and especially you Parent's and kids.

Community Policing

Lads and lasses we are all aware of the rocky road ahead of us all and I hope the Cuemmmunity spirit will float to the surface like cream on milk and that we help and look after each other as best we can. Let's show other small Cuemmmunities how a Cuemmmunity bands together for the common good of its residents.

Quote of the month

"The best thing about getting a flu shot is you never have to wash your hands ever again...right :)"

Senior Constable Martin REID

A community announcement from Vince Catania MLA, Member of Parliament

CUE PRIMARY SCHOOL

Term One has been filled with many highlights at Cue Primary. Our first few weeks saw the great attendance reward morning, our new school Chaplain, Miss Dani, working with our school and positive visits from Pastor Geoff.

A new initiative for Cue primary this term is our Sustainability Program supported by a Woolworths Junior Land Care Grant. Recycling bins have been placed around the school and the community. These bins are usually collected on Thursday and all matter is placed in the school's compost bin which was assembled by our students. This process will help minimize the waste going to landfill.

During week 7 the teachers planned many activities for the students to celebrate Harmony Week. Students sharpened their Literacy and Technology skills to interview members of the Cue Community. Thank you to all those who were able to participate and record their many thoughts on **HARMONY**.

We held an amazing Assembly to end a Happy, Harmony Week.

Thank you to the families who were able to attend our Assembly. We enjoyed watching the videos, looking at our great work and sharing a delicious afternoon tea. A wonderful effort by all staff at Cue Primary.

Congratulations to the Merit Certificate recipient Bobby and congratulations to Maniah, the very first recipient of the Chaplain Award at Cue Primary.

During the remainder of this term Cue Primary is engaging in ANZAC Day activities. All lessons have been planned to reflect The ANZAC SPIRIT.

Cue Primary will create a wreath for the Shire to place at the War Memorial on the school's behalf.

Mrs K

Principal - Cue Primary staff and students have been remembering to follow all the Health Rules around the COVID-19. Well done everyone.

FROM THE KIDS

Little Red Poppy

I have a Little Poppy,
As red as red can be,
To show that I remember
Those who fought to make me
Free.

FROM THE KIDS

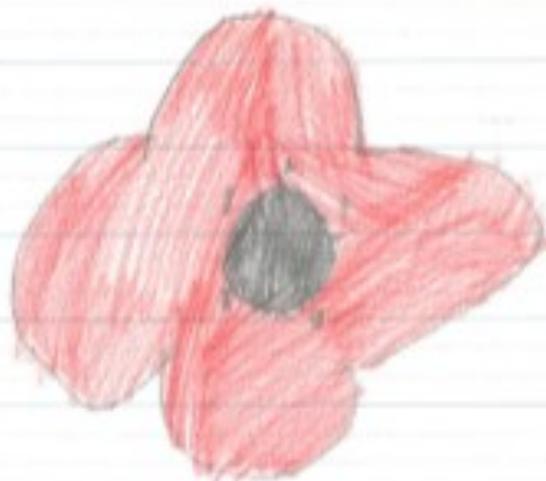

LITTLE RED POPPY

I have a little poppy,

As red as red can be,

To show that I remember

Those who fought to make me free.

T J

CUE ROADHOUSE

To the Community of Cue,

In these uncertain times we would like to assure you, The Community of Cue we are here to support you and will remain trading our normal hours until further notice. Obviously, changes are occurring daily and we are keeping ahead of the game as much as possible.

We are implementing certain requirements of you, our community, and those visiting to keep you and our staff in a safe environment. Please know we are here to support the community and all these measures are necessary. A little inconvenience here and there is a small price to pay we think.

Deliveries

Deliveries are changeable and although we are ordering items to keep the shop fully stocked it will be no surprise to you that many items are out of stock. We will continue to order and are confident in the coming weeks we will get back to a reasonable level.

Toilet Paper

With the community in mind we have taken the step to sell 2 rolls only per person per day. This is to address the chances of those passing through cleaning us out and therefore leaving the community without.

In House Dining

Due to the Social Distancing Regulations and for the Health of our customers and staff, the Dining Room and Tea/Coffee area will be temporarily closed. Main meals will be served in take away containers with plastic knives and forks, no plates or cutlery will be used.

CUE ROADHOUSE

Social Distancing at the counter.

We ask for your cooperation when entering the store. If you are feeling unwell and are coughing or have flu like symptoms our staff will ask you to exit the store. It is not our intention to offend and much prefer you monitor yourself.

Please be mindful when in store of those around you and our staff. For your own safety please ensure social distancing is implemented. Our staff are following Govt. health advice, (1.5mtrs), and so if they ask you to step back, we will be grateful for your cooperation.

If you are waiting for food orders to be prepared and there are more than 4 people in the service area you may wish to wait outside and we will bring the food to you when ready.

Staff Preventative Measures in Place

We are sanitizing all surfaces regularly, including entry doors, fridge doors, etc. Our display cabinet is no longer self-service and we will access food for you. The health dept. visited our premises two days ago and are very happy with the measures we are implementing. In fact, they said we are to be commended.

Australia Post

At this point AustPost operating hour will continue as normal. This may change as advice continues to filter through to us.

We value the Cue Community and any concerns or questions you may have regarding The Roadhouse please do not hesitate to approach our staff. We would ask though to be mindful that our staff are at the front face. We are all managing this situation as best we can and ask for your understanding and patience.

Thank you

Sue Burgess, Cue Management Team

MAKE EVERY MINUTE COUNT

This morning I had a house guest, made sure he had breakfast and packed his lunch. Saw him off to work with a few pleasantries, including jokes about our ages. He happily goes off to work with his mate and as this was meant to be his last day with us, I thought how lucky we are to have such nice guests. Less than 2 hours later, a young fella came running in asking for our defibrillator as someone had had a heart attack in their yard. I hoped it wasn't our guest, but sure enough, it was. And despite the best efforts of his employer and our guests mate doing CPR, and our volunteer ambulance crew, our guest didn't make it. What a shock.

There's a fellow who has a loving wife in Thailand, thoroughly enjoyed his work and had lots of things to live for and unexpectedly, he's just up and died.

Anyway, I'm thinking—and I've heard it a couple of times this week—**life is short**—so go wild and enjoy it. My father used to say, "Live well today as tomorrow isn't yours." I didn't quite 'get' it then as a kid. But I sure do now. Probably just as well that we don't know what's 'round the corner, but there can't be much wrong with living each day as if it was your last. Sort out your affairs as best you can, be kind, laugh a lot, invite people you like into your home, go see those countries on your bucket list. In fact—do everything else on your bucket list. And here's another good tip—you can keep adding to that bucket list so that each day there is something fantastic to look forward to. The last thing you want is an empty bucket list. That just wouldn't do.

Patch up old feuds, take a kid to the Royal Show, or a rodeo, or a swimming pool. Take your Mum out, or if she's already gone, visit her grave and have a yarn. Tell her now all the things you didn't think were important for her to hear when she was alive. Heal yourself of old hurts. Watch a funny movie and laugh 'til you cry. Indulge yourself. Yes, but that cream cake, enjoy a quality meal, read a biography on one of your life heroes. Sleep in late, or stay up late and watch the night sky for an hour or two.

These are all simple things to do and many are absolutely free. Grab hold of life and live it hard. Remember this—if you aren't living life on the edge, you're taking up too much room.

Keep Smiling,

Joyce Penny.

Walga Rock

Well, if there was ever a time to rediscover the bush, it would be now. There has been some exciting developments around town that you may not have noticed, or been aware were even happening!

We have a very active member of our community who has been working on cleaning out the water holes around our district, ensuring that they are managed and protected for future generations. A big shout out to Jeff Barnard for his tireless work in making our environment better for all of us.

Did you know that Jeff is starting up walkabout tours in our area? Including guided tours to Walga Rock to explore the art gallery, guided walking tours around town, and walkabout tours across our magnificent country, Barna is offering unique experiences in our local area.

While there are restrictions in place for tourists from overseas, interstate and even intrastate, maybe now is the time to rediscover your local area!

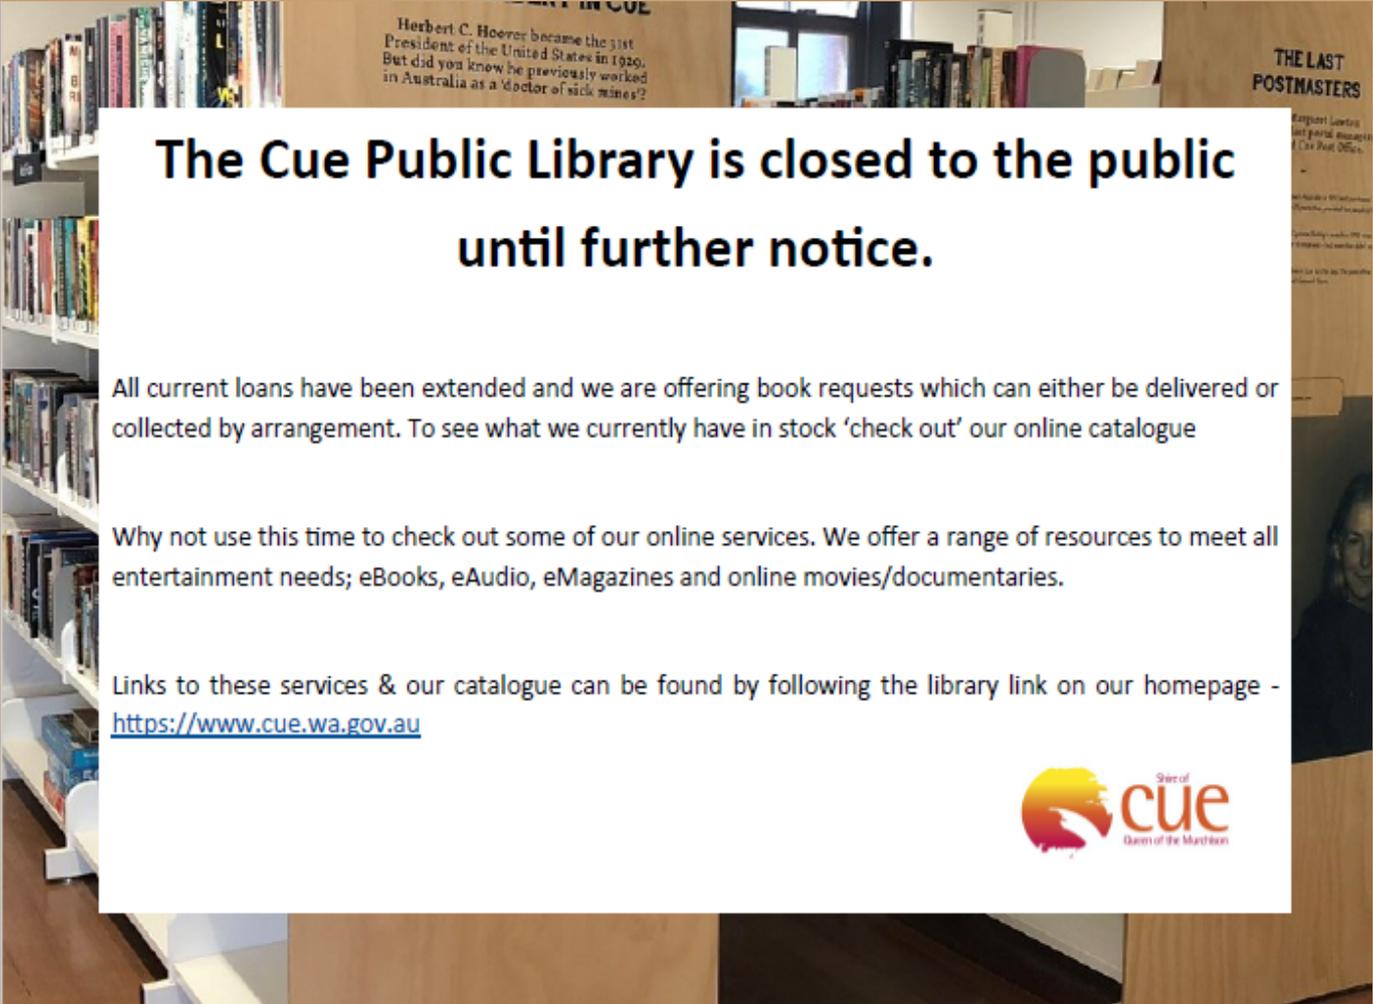

...looking a bit murky.....

...yep, full of mud

...and now clean, ready for the next rain!

Herbert C. Hoover became the 31st President of the United States in 1929. But did you know he previously worked in Australia as a 'doctor of sick mines'?

THE LAST POSTMASTERS

The Cue Public Library is closed to the public until further notice.

All current loans have been extended and we are offering book requests which can either be delivered or collected by arrangement. To see what we currently have in stock 'check out' our online catalogue

Why not use this time to check out some of our online services. We offer a range of resources to meet all entertainment needs; eBooks, eAudio, eMagazines and online movies/documentaries.

Do you have a team that can assist with your diabetes, cardiovascular disease or respiratory disease?

Podiatry | Dietetics | Physiotherapy | Diabetes Education

Our Team can assist with these services and provide care co-ordination to assist with all your health appointments or enquiries.

If you suffer from Diabetes, Cardiovascular Disease or Respiratory Disease and would like to make changes to improve your health, call our Care Coordinator Beryl on **0447 268 603**

Cue Heritage Discovery Centre

The Cue Heritage Discovery Centre has been moving along nicely in the last month. The dividing wall is now installed, and the plinth in place. The display cabinets have also been built, and the display for the hologram is in its early stages as well.

We have, unfortunately, had to postpone the opening due to COVID-19, but we will endeavour to have the building ready anyway, and as soon as the restrictions are removed regarding people moving around and close contact, then we will reschedule the opening. Watch this space for information about the opening event.

A big thank you to Sandra and Phil Box, who have been an amazing asset to the town. They have been volunteering for the project – and have been working diligently on collecting information about the artefacts and loading photos into our new database that will be the foundation for the cataloguing of the pieces we have.

PROGRESSION PHOTO'S

**HON ROBIN SCOTT MLC
OF KALGOORLIE-BOULDER
Member for Mining and Pastoral**

At the age of sixteen Robin Scott came from Scotland with his parents to Western Australia, where he enrolled as an apprentice electrician. Immensely proud of his trade, Robin has worked for more than 30 years as an electrical contractor to the WA mining industry, especially the Goldfields. Flying himself and his staff to electrical contracting assignments, Robin logged 4,000 hours in his Rockwell Commander, the aircraft he now uses to service his constituents in the vast Mining and Pastoral Region.

Robin is an enthusiastic campaigner for job opportunities through creating more apprenticeships for young men and young women. The Federal Government has partially embraced the Pauline Hanson's One Nation Policy of subsidising apprentice wages 75% in the first year, 50% in the second and 25% in the third year.

Robin Scott moved the Disallowance Motion which defeated the Government's attempt to increase the Gold Royalty by 50%. Robin is determined to protect and promote mining and led the defence against water charges for prospectors and small miners.

Robin's priorities for 2019 include:

- Water pipeline south from the Kimberley
- Supply good clean water for all regional people
- Reopen the Department of Mines Industry Regulation Safety Office in Norseman
- Sealing the Wiluna-Meekatharra Road
- Insist on rapid delivery of the promised MRI machine for Kalgoorlie
- Big upgrade for palliative care in the regions
- Aged care facility for Leonora
- New hospital for Laverton
- New hospital for Meekatharra
- Ensure the Nursing posts are manned by more than one nurse and are secure and safe for staff
- Abolish fringe benefit tax to encourage FIFO workers to live locally
- Speed up dog fencing and increase the number of professional doggers
- More jobs through quicker approvals for mines

To the Cue Community

Unfortunately, due to an emergency with my farm carers at home, I have had to urgently leave Cue. I was unable to say goodbye to many of you, who over the past year I have cared for. I have sincerely enjoyed my nursing experience at the Cue Nursing Post. I have had the great pleasure of meeting many wonderful people. Primary Health Care is first and foremost and the bedrock of my profession. I urge you to take care of each other, eat healthy and nourishing food, exercise daily, be kind and seek gratitude in the "ordinariness" of daily living. I trust that I have been able to offer you and your families the best of care. Flourish and take care of each other and your magnificent environment and ecosystem.

Julia Bell
Clinical Nurse
Remote Area Nurse
Cue Nursing Post

IT CAN'T DRIVE ITSELF.

**SUPPORT THE AMBULANCE SERVICE IN YOUR
COMMUNITY, VOLUNTEER TODAY.**

WHY VOLUNTEER? By donating your time you can make a real difference and give something back to your community. Not only do you get the satisfaction of helping others, but you also gain important skills and experience. No matter what your motivation, being a St John Ambulance Volunteer is a great way to get involved in your community and help change lives.

WHAT'S INVOLVED? Driving ambulances, transporting patients, providing first aid or helping out with administration are just a few of the roles when you volunteer with St John Ambulance. As a volunteer you will be supported every step of the way and given all the training necessary to fulfill your role. Training is conducted to a level at which you feel comfortable, confident and ready to assist.

For more information on volunteering with us call St John Ambulance
Cue Sub Centre on 0418 382 303 Monday to Friday 9am – 3pm.

PARMESAN-CRUSTED LAMB RACK

INGREDIENTS

60ml olive oil
2 x 600g Lamb Rack Roasts
60g panko breadcrumbs
25g grated parmesan
2 tablespoons oregano
2 tablespoons of Dijon mustard
200g punnet Perino tomatoes
2 bunches broccolini
400g can cannellini beans
40g chopped almond kernels
2 tablespoons lemon juice

METHOD

STEP 1.

Preheat oven to 200C. Grease a medium baking dish.

STEP 2.

Heat 1 tablespoon of oil in a large frying pan on high heat. Cook lamb, fat-side down, for 5 minutes or until browned. Turn and cook for a further 3 minutes or until browned. Transfer to a board.

STEP 3.

Process breadcrumbs, parmesan, oregano and 1 tablespoon of the remaining oil in a food processor until firmly chopped. Use a small knife to spread top of the lamb with mustard. Use your hands to press parmesan mixture firmly over the mustard to coat. Place in prepared baking dish and bake for 10 minutes. Add tomato to baking dish and bake for a further 10 minutes or until lamb is cooked to your liking and tomato skins are starting to split. Transfer lamb to a plate and cover with foil. Set aside for 5 minutes to rest.

STEP 4.

Cook broccolini in a saucepan of boiling water for 3 minutes or until just tender. Refresh under cold water and drain well. Toss broccolini, beans, almonds, lemon juice, tomato and remaining oil in a large bowl.

STEP 5.

Use a sharp knife to cut each lamb rack in half. Divide the salad among the serving plates. Top with lamb and serve with sour dough bread.

EASTER EGG TRUFFLES

INGREDIENTS

600g pkt Vanilla Mud Cake Mix
2 eggs
60ml vegetable oil
2 tsp finely grated orange rind
2tbs orange juice
400g white chocolate melts
red, blue, yellow & green liquid
food colouring
rainbow sprinkles

METHOD

STEP 1.

Preheat oven to 170C. Grease a 20cm (base measurement) round cake pan. Line the base with baking paper.

STEP 2.

Prepare the cake mix using the eggs, oil and 125ml water following the packet directions. Pour into prepared pan. Bake for 45 minutes or until skewer inserted in the centre comes out clean. Turn onto a wire rack to cool completely.

STEP 3.

Line a tray with baking paper. Crumble the cake into a large bowl. Add the icing mix from the packet with the orange rind and orange juice. Stir until the mixture comes together. Roll 1 tablespoon portions of mixture into oval shapes. Place on lined tray. Freeze for 15 minutes.

STEP 4.

Meanwhile place the choc melts in a heatproof bowl over a saucepan of simmering water (make sure the bowl doesn't touch the water). Stir until melted. Divide into 4 bowls. Use food colouring to tint the chocolate pale pink, blue, green and yellow.

STEP 5.

Dip 1 cake ball in melted pink chocolate, shaking off excess. Place on lined tray. Repeat with remaining balls & colours. Top with sprinkles.

STEP 6.

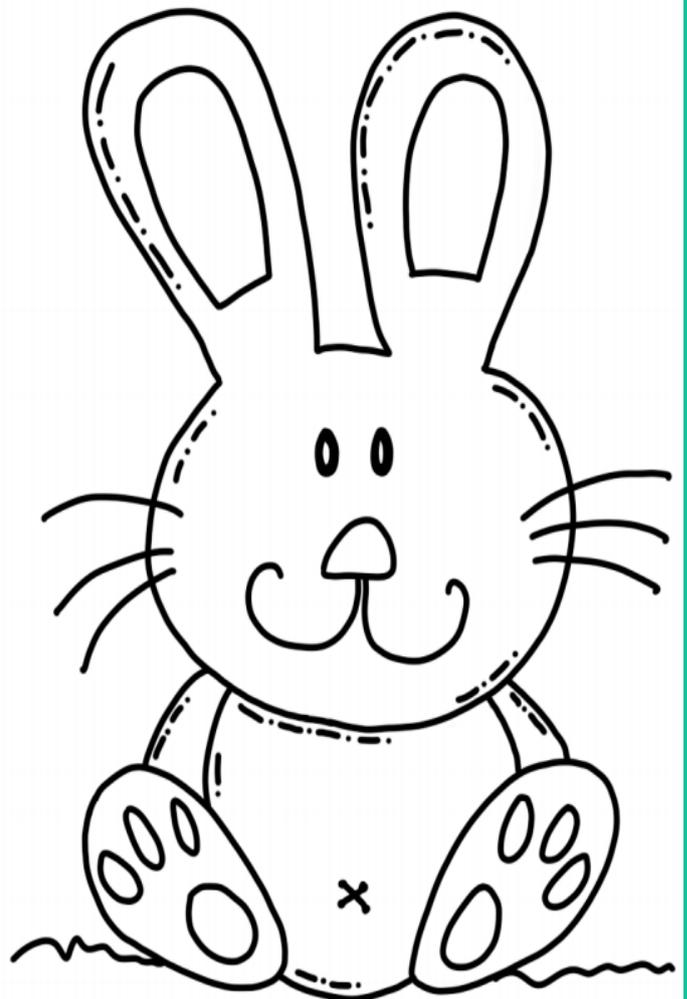

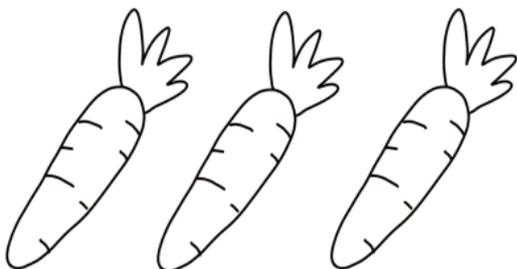

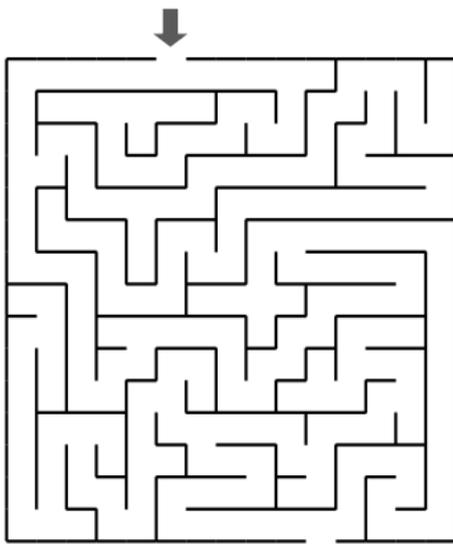

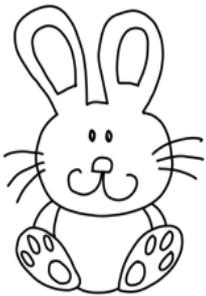

Spoon remaining chocolate in 4 sealable bags. Cut off 1 corner and drizzle truffles with chocolate. Set aside for 10 minutes or until set.

Restoring Natural Landscape Function

Tarwyn Park Training 4 Day Course

Dates - 20th - 23rd July, 2020

Location - Wooleen Station, Murchison WA

Cost- \$2,850 per person inc. GST

Tarwyn Park Training is a 4-day hands-on workshop based on redesigning your farm through Natural Sequence Farming techniques and principles to maximise productivity, enhance landscape function and minimise farm costs.

The four days will each be focused on a key step in restoring natural functions;

- Day 1 - Slow the flow
- Day 2 - Let all plants grow
- Day 3 - Careful where the animals go
- Day 4 - To filter the flow is a must know

SLOW THE FLOW

LET ALL PLANTS GROW

During Tarwyn Park Training you will learn to;

- Read the landscape
- Rehydrate your landscape
- Fully utilise your farms natural resources
- Locate, design and build natural landscape structures
- Redesign your property
- Begin improving landscape function
- Lower your farm costs and boost profits

CAREFUL WHERE THE ANIMALS GO

TO FILTER IS A MUST KNOW

Cost includes morning tea, lunch and afternoon tea. Accommodation is available at Wooleen Station for a 50% discount. Please directly contact Wooleen Station for more details on accommodation.
