FROM THE CRC

Hi All,

WOW! It's the end of the financial year again, the first 6 months of 2021 certainly went very quickly.

As always we've been pretty busy here at the CRC, we have had in excess of 500 visitors visit the CRC this month and that only includes tourist that are either passing through or staying for a few days.

We've had several activities and events. As usual Craft Group is every Wednesday from 9.00am and Walking Group every Monday evening from 5.00pm, Department of Transport visited on Monday the 14th.

We had the Cue Heritage Discovery Centre Open Day on the 17th and we also did a Sunday Breakfast for the Youth Centre on the 13th, unfortunately we didn't have many kids attend.

The Tourist Park Sausage Sizzle was on Wednesday 23rd, we thank the Cue Roadhouse for the delicious coleslaw they donated. It was another great turn out.

On Saturday 19th, we hosted a Bingo Night at the Cue Shire Hall with the proceeds going to the Cue Volunteer Ambulance and we are happy to announce that we raised over \$600. We would also like to thank the volunteers for help setting up, selling raffle tickets and Bingo Cards, and we especially thank Kent from Mount Magnet Meats who donated two of the meat packs that we raffled off.

Our Sunday Markets held on the 27th of June was another great turn out, with lots of crafty stall, the volunteer firies doing a food stall again.

Over the next month we will have the usual activities and in August we've going to do another Twilight Markets.

FROM THE CEO

Rob Madson has finished his time in Cue and has now moved back to Tasmania to be with his family. I am very pleased and humbled to be selected as his replacement and look forward to continuing to serve the Cue community in the role of Chief Executive Officer. I would like to thank Rob for his contribution to the Shire of Cue and the many projects and events that he has made happen over his time here.

The Shire of Cue is currently reviewing and updating its Strategic Community Plans and seeking input from the community to gain a wider view of the community's aspirations for the Shire. A community survey has been prepared and is available in the Dryblower or online to provide feedback and assist Council in guiding the future direction for the Shire. I encourage everyone that lives, works and plays in the Shire to participate in the survey. More details are available on the back pages of this publication.

There are a number of Shire roads undergoing works with the Shire's roads crew undertaking works on Wondinong Road and patching works on the Beringarra Road. Flood damage works are still being undertaken by contractors on a number of roads between Coodardy and Austin Downs. For your own safety and the safety of the workers, please obey all traffic control signs when passing through roadworks.

Axiis Contracting have undertaken works on the Shire's shared use pathway program. New pathways have been constructed on Dowley and Allen Streets to complete a loop and a short section on Austin Street to complete the pathway to Patterson Street. A new pathway has been added to Chesson Street with the driveways for the ambulance centre and nursing post being reshaped for a smoother transition from the road. The pathways are dual use for walking and cycling and bike racks have been added to the network. It is great to see that the pathways are being utilised with a noticeable increase in people out for a walk.

Billed as Australia's first major Wastelander event, Pox-Eclipse will be held in the Shire of Cue from 26 -29 August. The event will present an opportunity for participants to immerse themselves in a post-apocalyptic themed camping experience based on the Mad Max film series. Tickets for the event are selling well so if you want to be part of this inaugural event, get in quick to secure your tickets so you don't miss out. Further details can be found on the Pox-Eclipse website.

Sunday bowls is now well underway with a regular crowd getting together for the afternoon. Starting at 1pm on Sundays. There are plenty of sets of bowls available to use and everyone is welcome to join in.

The next ordinary Council meeting will be held at 6:30pm on Tuesday 20 July 2021.

THE YOUTH CENTRE

The past month has been very steady with our young people regularly engaging in activities after school and on weekends. We spent as much time as possible outside enjoying the cool: swinging on the swing set (sometimes two at a time!), scooting at the skate park, having a picnic, experimenting with slimes and painting by the park.

July will be an exciting month for our youth. Our school-aged youths will be enjoying a well-deserved two weeks off from school for the holidays. They will, of course, be engaged at the youth centre during the usual sessions over the two weeks (9AM – 1PM) at the Hall, except for below events.

First week of the holidays, from **3 July – 11 July**, our youths will be visited by a group of young volunteers from **StormCo** who will hold kids' holiday club for our youths at the Hall. They have visited Cue for youth outreach and community service for *19* consecutive years apart from last year due to the pandemic, and we are very excited to continue the tradition this year on.

The sessions will be: **9:00AM – 12PM & 2:00PM – 4PM**. The morning sessions will start with breakfast, followed by story time, singing, arts & crafts; afternoon sessions will consist of sports, face painting and community service projects. All youths are encouraged to attend.

On the second week of the school holidays, we have a special program at the Wirnda Barna Art Centre in Mount Magnet on the **Tuesday 13 July** and the **Wednesday 14 July**. The art workshop will be from 10AM – 1:30PM in Mount Magnet. We will leave Cue on the Community Bus by **9AM**, and be back by **2:30PM**. The youths will learn art from local artists and hopefully these two days will inspire our youths to do more art.

Perhaps most importantly, it is **NAIDOC week** from **4**th to **11**th **of July**. This year's theme is Heal Country, and our youths will take the opportunity to reflect on their connections to Country, and how people can both heal from Country and to heal Country. Hope you can take time to let your younger members of the mob know how important Country is to you and to your family.

We would like to take this opportunity to <u>invite</u> <u>all local artists to join us</u> at the sessions to help our youths to create more art to help connect to their Country and instil pride in Aboriginal culture. If you could pop in during our session at the Hall on the <u>Saturday 17th of July</u>, anytime from <u>9AM – 1PM</u>, we would love to work with you to create beautiful art that we can hang by the new Centre when it is completed. Our youths already have so much talent to give – just need some inspiration and goal to work towards, as you can see from the photos!

Stay tuned for updates with events & photos by following us at Facebook Page @CueYouthCentre. Please feel free to reach out at the Shire Office, or at the Hall during our sessions, or via e-mail at youth@cue.wa.gov.au with questions or ideas.

Remember to enjoy a cuppa and connect with your friends.

That is all for now, and thank you for your support always.

CUE PRIMARY SCHOOL RESILIENCE: RESPECT: RESPONSIBILITY

Once again, we have had a busy term. Our wonderful volunteers have been coming into school regularly to read with our kids. One student even learnt to sew! Geraldton Regional Aboriginal Medical Service (GRAMS) nurse Ellissa came to school with Dr Carter. They checked our student's height, weight, ears etc before cooking us a steak and salad BBQ for lunch. All the students got a pack with reading books and shirts to take home.

At the start of June, Cue Primary acknowledges Harmony day with a BBQ at Brockman Park. This was a lovely event with so many of our families and friends attending.

Unfortunately, due to the latest Covid-19 restrictions, our overnight camp to Pia Wadjarri for NAIDOC week had to be cancelled.

Teach, Learn, Grow (TLG) from UWA came to visit for the last week of term and did some engaging activities with our kids.

During the Holidays, Storm Co will be here again (Over 20 years) to do holiday activities and social service around town. Please say hello if you see them.

Next term will see the introduction of an evidence based reading program called Initialit. We

Next term will see the introduction of an evidence based reading program called Initialit. We have already had a couple of days extra training and invested heavily to help our children read and succeed.

Connection to school: Teacher

Favourite Book: Oh the Places You'll Go - Dr Seuss Who would play you in a movie about your life? I am not a movie person really, so I am going off topic here! But if I was going to be in a TV show I would want to be the 7th friend in Friends.

Have you any brothers or sisters? I don't have any full brothers or sisters but I have 2 step sisters and 1 step brother.

Eagles or Dockers? Neither... Magpies and whoever is playing the Eagles!

What law or rule do you think is the most important one for being Respectful?

Respect your teachers ha-ha! No, I think using manners, such as please and thank you, go a long way in gaining the respect of other people.

When have you had to be the most resilient? I had to be very resilient during the 2018 Grand final when Collingwood lost to the Eagles. I was in a room full of West Coast supporters and it was very difficult to remain resilient. It still hurts to write about this but it's getting a little easier!

What is your greatest achievement? Moving away from Busselton to take my first teaching job in Cue. It was very daunting leaving my family and friends and the comfort of my home town but I am so glad that I did.

Name one person you really respect. I really respect my Mum. She has a habit of telling me things that I don't want to hear but she does it because she cares about me more than anyone else in the world. I hope that I have such a good relationship with my own kids one day.

Tell us a joke. Why are fish so smart? Because they live in schools...

CUEROSITY OP SHOP

Has anyone out there got any shelving or book shelves they would be willing to donate to the op shop please? The floor is overflowing with goodies but we need more shelving on which to display them. All donations will be greatly appreciated and you will be helping your local community out.

VOLUNTEER AMBULANCE OFFICERS URGENTLY REQUIRED TO HELP MAINTAIN THIS ESSENTIAL SERVICE FOR YOUR COMMUNITY

The Cue Sub Centre would sincerely like to thank Rob Madson, Jenni and Ian Dennis and Janet Wicks for the service and hours they have given to the town. We wish them all the best.

We are in urgent need of volunteers to help keep our service going. We currently have a small team of dedicated volunteers who commit many hours to their community. Most of our volunteers have jobs and families in our community and some are not available to help at the moment. Many are becoming tired and we are having difficulty finding people when we need them. We really do need more volunteers to help share the load. Without volunteers there is no ambulance in our town.

We are urgently seeking community members to join the Cue Sub Centre. We understand you all have busy lives so there are no set rosters. All we ask is if you have spare time when a call comes in, your assistance would be greatly appreciated, AND, if you live out of town – that's no problem!

We also have other roles available from general vehicle checks, cleaning & stock checks.

Emergencies don't have working hours, that's why we need more volunteer Drivers. If you're looking for a way to help, and love getting behind the wheel, this is the role for you.

You'll help with patient transfers, inter-hospital moves and RFDS transfers. And while this is mainly a driver-only role, you will still receive the training you need to assist an Ambulance Officer in an emergency.

We always need help, so to see how people exactly like you can contribute head to stjohnchangelives.com.au or give our Community Paramedic Michelle Fyfe a call on 0437 681 562, or email Michelle.M.Fyfe@stjohnwa.com.au

COMMUNITY SURVEY

The Shire of Cue is updating its Community Strategic Plan and invites input from people who live, work and play in the Shire of Cue to express their views. The information provided by the survey will assist Council to identify areas of highest priority, explore new areas of interest and also help maintain the highest level of performance for Cue.

You can find the survey:

- on the last pages of the Dryblower
- survey monkey, follow this address: https://www.surveymonkey.com/r/DHHQCM3
- or follow the link on the Shire of Cue website

All paper surveys can be dropped off at the Shire office or the Cue Community Resource Centre.

We urge you to fill in the survey. The more people that fill in the survey the greater the overview of the Shire.
