

Telstra is proposing to upgrade the existing mobile phone station at  
**14PostOfficeStreet,CUE WA6640**  
**RFNSA 6640001**

In summary this upgrade will consist of:

- Removal of four (4) existing omni antennas
- Installation of four (4) new 4G panel antennas (each no longer than 2.8m)
- Installation of one (1) new RRUs
- Replace one (1) Telstra GPS antenna
- New facemount and mounting steelwork
- Installation of associated ancillary equipment at the existing facility and within the equipment shelter.
