Candidate name	Ron HOGBEN
District	Shire of Cue
Nominating for	Councillor for Shire of Cue
Election type	Ordinary
Enrolment status	HOGBEN, Ron is eligible to stand for election as a resident of the Shire of Cue.

My name is Ronald Hogben and Cue has been a part of my life since the 1980's.

My children were raised in Cue and attended the local Cue Primary School.

I have previously served as a councilor on the Shire of Cue council and I'm currently a serving councilor.

I have chosen to run again as I believe that the knowledge, I can bring to the council can be of benefit to Cue and the community, to continue to prosper, maintaining our facilities and infrastructure as well as planning for the future. It well proven that Tourism and mining can work together so towns like Cue can prosper through the quiet and the good times.

I believe that a knowledgeable, honest, and transparent council is what Cue, and its community needs today and for its future planning.
