District	Shire of Cue
Nominating for	Councillor for Shire of Cue

I love living in the country. Cue has become my home for eight years by now.

I am a firm believer in fostering a safe, connected community to be essential for the prosperity and wellbeing of its residents.

I have a strong interest in community spirit. I was a Volunteer Ambulance Officer with St John Ambulance at the Cue Subcentre and a volunteer Community Bus driver for the Cue CRC water aerobics classes which were held in the Mount Magnet Swimming Pool during summer twice weekly.

I am enthusiastic, caring, compassionate and hard-working, and I would value the opportunity to contribute to our community as your Councillor.

As your councillor I will strive to act with openness and transparency, honesty and integrity, tolerance and respect, equity and fairness and a willingness to listen to and consider other peoples' views.

I respectfully ask for your vote to serve you.
