Ballot paper name	PIGDON, Ross
Candidate name	Ross PIGDON
District	Shire of Cue
Nominating for	Councillor for Shire of Cue
Election type	Ordinary
Enrolment status	PIGDON, Ross is eligible to stand for election as a resident of the Shire of Cue.

Born in Big Bell, as a child I moved to Cue with my family when the mine closed in 1952. Even though I moved away for work, Cue and the surrounding area has always been my home. I returned to Cue in 1996 and have been a resident ever since.

I have served previously on the Shire Council for many years, having been elected in 1999 as Deputy President until 2005 and again, being elected in 2015 and served as the Shire President until 2023. Due to personal circumstances, I was unable to renominate in the 2023 election. My circumstances have now changed.

As a Councillor, I believe in the retention of the historic buildings under the Shires portfolio, preserving them for the future.

I have and always will advocate for better facilities and programs for the town, ensuring that all have access to medical services.
