FROM THE CRC

Hi Everyone,

Here at the Cue CRC we've had a pretty busy month, with several activities happening. We've had the Sunday Markets and Christmas in July in this past week as well as Q-kick (football for the kids) and a Sausage Sizzle for the tourists.

We had an awesome turnout for the Christmas in July event. We had about 20 guests and many helpers. A huge thank you to Tracy Bachraty and Jenni Dennis for cooking the food. We also had my mum Pam and 3 wonderful ladies from the Tourist Park helping out, so a huge thank you to Pam, Kath, Raelene and Lynn too. I also want to thank Janet Wicks for organising the meat and vegetables for Christmas in July.

This month I have learned that it's not hard to ask for help and when you do there is no end to the amount of people who are willing to help when asked.

QUOTE:

Be strong enough to stand alone, smart enough to know when you need help and brave enough to ask for it.

FROM THE CRC COMMITTEE

The Cue Community Resource Centre (CRC) held a Special General Meeting on 24 July 2019 to declare all board positions vacant and re-elect an interim board until the Annual General Meeting to be held later this year. - Ian Dennis – Board Member

And the following are committee members:

- Monika Doepgen
- Jeff Gregory
- Cathy Willett
- Les Price
- Cathy Jones

- Janet Wicks

We are always looking for new members. If anyone is interested in joining the CRC Committee, please contact Julie at the Cue CRC on 08 9963 1198 for a membership application form.

From The CEO

After spending a week in Canberra at the Australian Local Government Association National General Assembly, and then three weeks in Tasmania on holiday, it is quite pleasing to be back in Cue where at least the day time temperature is far more comfortable.

At a special Council meeting held on 22 July, Council set the rate in the dollar for all categories of rateable properties within the Shire. Due to the requirements of the *Local Government Act 1995*, the Differential Rates set must be approved by the Minister for Local Government. Once approval has been granted, the 2019/20 financial year budget will be finalised for adoption by Council. Rate notices will be sent out shortly after.

One of the major projects the Shire is currently planning for in the budget process is the construction of unassisted living facilities for older residents in the community. The current proposal is focused on developing land reserved for Shire purposes on the corner of Robinson and Dowley Streets to enable the construction of six two bedroom units, with allowance for future expansion as the need arises. This project will rely heavily on funding from external sources, such as government grants, and is therefore unlikely to be achieved in the short term, however having plans in place will put the Shire in a position to take advantage of funding opportunities that arise in the future.

The Shire has been successful in obtaining grant funds through the Community Sports and Recreation Facilities Fund to assist with the construction of a small wheels park in the currently unused cricket pitch area adjacent to the basketball courts. The main component of the park will be a Parkitect modular pump track designed for scooters, skateboards and small bicycles. Unfortunately, this type of track is manufactured internationally and will take fourteen weeks to deliver, meaning that this project will not be completed until much later in the year.

Pump Track by Parkitect

The basketball and tennis courts will soon receive some much needed attention, with a contractor engaged to repair cracks in the base, re-apply a rubberised paint surface and renew the court markings. Investigations are also underway into suitable LED replacements for the existing lighting to reduce running costs. The courts are currently lit between 7pm and 9pm daily. If you are interested in using the courts outside of these hours and require lights on, please contact the Shire office.

Local Government elections are due to be held on 19 October this year, with four of the seven Cue Councillor positions becoming vacant. Nominations will open on 5 September and remain open for one week. If you have ever thought about nominating to become a Councillor, but weren't sure if the role was for you, the WA Local Government Association will be running a free webinar for prospective elected members on Thursday, 15 August from 5pm to 6pm. This Webinar focuses on the following key areas:

- Parliament's role in creating legislation for Local Government;
- how to read the Local Government Act 1995 and Regulations;
- who does what at a Local Government;
- a Councillor's personal responsibilities; and
- consequences of improper conduct.

Participants will have the opportunity to ask questions during the Q&A Session at the end of the presentation. The webinar will be recorded and made available to the public within a few days of the event. For further information and to register, visit www.walga.asn.au/Training/Our-Services/Webinars. Be quick to register as places will fill fast.

On 28 August, the Variety WA Bash will be visiting Cue on their route through the Gascoyne and Murchison regions. Participants will enjoy an overnight stay at Nallan Station and community provided recovery breakfast. The bash will raise funds for children's charity, Variety. Keep an eye out for the uniquely decorated cars which are all classics at least thirty years old.

With preparations well under way for filming of the World War 1 movie *Before Dawn*, Prince-Wright Productions have announced opportunities to be involved, whether through sponsorship, purchase of limited edition fan packages or even appearing in the film as an extra. For further details, visit their website, www.princewrightproductions.com. Scenes from *Before Dawn* will be filmed in the Shire of Cue.

Upcoming events:

- Erth's Dinosaur – Thursday, 22 August.
- Variety Bash – 28 & 29 August
- Council nominations open – Thursday 5 September
- Council nominations close – Thursday 12 September
- Local Government elections – Saturday 19 October

Traffic

Good morning, arvo or evening, depending on when you're reading this edition. I hope this edition finds you in good health and in good form?

To date unfortunately we have had over 50 fatalities just on regional WA roads and that is 50 too many. 50 families have been affected by these deaths and that's sad and not good enough.

Some of these fatalities are as a result of drink or drug driving, fatigue, speed or just lack of attention and care.

Along with the 50 families left to pick up the pieces, the emergency services who attend these fatalities also suffer. Some sights the human brain shouldn't have to store and comprehend.

Yes it's part of the multi-faceted job we do, but still does not make it acceptable, specially when a lot of these incidents are preventable.

I know I keep biting at the same ankle here but if you're tired pull over safely and take that power nap or stop at a town such as Cue and grab a coffee and some fresh air.

Just don't drink and drive or take drugs and drive. That is a no-brainer. Think of your families and the innocent people whose lives you will inadvertently affect by your idiotic habits!

As for speeding just don't do it. It really is that simple. You can't second guess which direction that roo's going to head, or cattle, or goat for that matter and the greater speed you do the more catastrophic the potential outcome will be. Don't aim to get there 20 or 30 minutes earlier than you would at the regulated speeds allowed, just aim to enjoy the drive, stay safe and arrive alive.

Crime

We as Local Police have taken a report of an assault whereby a FIFO worker has allegedly been assaulted by 4 persons after having attended the pub.

It is extremely sad that an incident like this has occurred in Cue and is totally unacceptable anywhere but especially in a normally nice town like ours.

We at Cue Police just want our locals and tourists to be aware of their surrounds and to be extra vigilant during their travels especially during the hours of darkness.

Parents, once again we are receiving reports of children wandering around the streets of Cue looking to create a bit of mischief, potentially graffititing or damaging property. Please keep an eye on your kids and know for definite they are where they said they were going!

POLICE BEAT

Community Policing

Thanks to the Shire and the CRC for keeping the kids occupied during the school holidays, with the clown people and the kids club.

Sunday social bowls is still taking place at the Cue Shire Hall, so if you want some expert advice on your lack of bowl prowess then do come along.

Also QKICK happens at Cue School on a Wednesday from 2:30 pm. Kids, go to school then come along afterwards. No school no QKick. Them thaar's the rules kids!

Mental health is an issue that never sleeps so please remember and keep an eye out for your families, friends and neighbors and don't be afraid to ask 'R U Ok'. Please don't become complacent. If you are feeling down and it's not like you talk to someone. There are always remedies for our problems no matter how great you may feel that problem may be and a problem shared is a problem halved.

"Cuppa with a Cop" is up and on the go again and normally held once a month at the CRC building next door to the Police Station. Can I just add how pleased and relieved I am at this, as I was wasting away due to lack of cake and other fancies, not normally available to us without these events. I can now bulk up again like a bear getting ready for hibernation only thing is I'm not too keen on some of the local caves or mine shafts to take my 40 winks in having been domesticated for some time now!

The good Sergeant gave the cakes and fancies a good going over too. At one point I thought he must have been a mythical six mouthed creature the speed he was devouring them!

Come along and say "Hi" and meet the local 'boys in blue'. We don't bite unless of course you try and steal our cake!

Thanks to the nice ladies for putting on such a fantastic and yummy spread.

As usual please stay safe, play safe, drive safe, wave safe and be a good neighbour.

Quote of the month

CHRISTMAS IN JULY

At our Christmas in July event this year, everything that could go wrong did go wrong, but finally everything went according to plan. With good food and good company everyone had a good time.

Everyone loved the photo props with the photo backdrop and we got some awesome photos.

QKICK

Its great to see more kids are enjoying QKick each week with the support of the coaches and staff at the Cue Primary School.

Also, congratulations to Jayziah for attending each week wearing his QKick shirt each session. You are a superstar Jayziah well done!

MARKET DAY

Cue market day each month has been outstanding! The staff at the CRC are amazed to see more people are getting involved. We have already had a great range from clothing stalls, jewellery stalls, cake stalls to a novelty stall. Let's not forget all the great volunteers that helped out.

We would also like to remind people that the Sunday markets will now be held at the park located next to the Shire of Cue building on Austin Street.

ABOUT OUR TOWN

ABOUT

Over the years the local pub has had several different names and owners. It is currently owned and run by Helen Ann Williams and is called the Murchison Club Hotel.

The Murchison Club Hotel was originally built in 1895 in the Victorian Georgian Style, 40 years later the additional storey was built in 1935 and was heritage listed in 1996.

GHOST SIGHTING

Since the Murchison was built and heritage listed it has brought many memories for all those that visited over the years. From the famous Cue Burger to the mystery ghost sighting's caught on tape, The Murchison Club will not disappoint.

CHRISTMAS IN JULY

Christmas In July was a huge success this year!

We celebrated the afternoon with wine, a huge selection of food, delicious desserts and a bit of fun with photo props & backdrop and of course we had goody bags to take home at the end of the day.

We couldn't have done so well without the help of the volunteers that helped out with the food and decorations. Unfortunately, we did have a few set backs like the power cutting out and running out of gas. But, with the encouragement of our volunteers and patient guests we had a really nice meal and received heaps of positive feedback.
