# EDITORS CORNER

Hi All,

WOW, we are at the end of another year—I know we probably always say this but it's gone so fast.

The Cue CRC has its ETHOS Recycling pod in the backyard, so if you don't want to save your bottles and cans for yourself, feel free to bring them to us and pop in the bin. We haven't decided what we're going to do with the money as yet, but it will be for something for the community.

From the 7th of December there will Cue CRC staff member only from 10.00am to 2.00pm Monday to Friday, then we will be closing on the 18th of December for the year and reopening on the 4th of January 2021.

The Cue CRC staff and members wishes everyone a happy and safe Christmas.

Thank you,

Julie Humphreys

Manager

Cue Community Resource Centre

*Merry Christmas to all our customers!*

# FROM THE CEO

I am back on board after a short break in Tasmania and happy to be soaking up the warmer weather. It was a pleasant surprise when the State Government lifted border restrictions on some travellers and I was able to re-enter the state without having to serve a quarantine period.

The Murchison Country Zone of the WA Local Government Association held their most recent biannual meeting, affectionately known as Cue Parliament, at the Cue Shire Hall on Friday 27 November. The Minister for Local Government; Heritage; Culture and The Arts, David Templeman MLA, opened the meeting by video conference and addressed those in attendance on local government issues, in particular the ongoing development of a new Local Government Act and the outstanding response by local governments across the state to the COVID-19 pandemic. Representatives from the Shires of Cue, Meekatharra, Mount Magnet, Murchison, Sandstone and Yalgoo also heard from several senior government representatives on matters affecting the Murchison Region. Water Corporation Regional Manager, Steve Greeve, gave an update on the project to improve water quality in the Murchison, noting that the new water treatment plant in Cue is scheduled to be operational in March/April 2021.

One of the preliminary events for Cue Parliament is the running of the Cue Calcutta Cup, organised with assistance from the Cue CRC and Shire of Cue by Regional Development Australia and this year sponsored by the Water Corporation. Attendees purchased tickets for the opportunity to secure a horse in a phantom race, with this year's event being the first with a live race call. The lucky winner was Ross Pigdon, who took home a magnificent hand-made trophy. Over \$1500 was raised on the night for the Royal Flying Doctor Service.

Shire President, Cr Ross Pigdon is presented with the Cue Calcutta Cup by North West Central MP, Vince Catania MLA.

With the recent expansion of mining and exploration activity occurring throughout the Shire, I am receiving an increasing number of enquiries about the availability of houses in town to rent or buy. If anybody has a property that is available, just visit, call or email the Shire office and we will pass on the details.

New kerbing has been installed on sections of Marshall & Wittenoom Streets to control storm water in this area. The verge area will be backfilled with gravel over the next few weeks.

Volunteers Night has been shifted from the previously advertised date of 5 December to Wednesday 2 December to accommodate the very talented Emmet, who is always a great entertainer. This event has been traditionally held on 5 December to coincide with International Volunteers Day, however from 2021, we will be holding Volunteers Night to coincide with National Volunteering Week, which is celebrated in May.

The Shire will again be running a competition to determine the households or business premises that present the best Christmas displays, so get into the spirit of Christmas and dress up your property for the chance to win cash prizes. Decorations don't have to be lights, but the more colour the better. Entry forms are available from the Shire office, or use the one in this publication, with winners to be selected after the Council meeting on Tuesday 15 December.

The Cue Community Christmas Party will be held on Saturday 12 December in the Shire Hall, commencing at 6:00pm. Food and refreshments will be provided. Santa is expected to arrive at 6:30pm.

The Shire was happy to learn that our application to Lotterywest for \$50K to fund an end of year music event has been successful. Adam Brand and supporting artists, including some very talented locals, will be live in concert at the town oval on Saturday 19 December. This event will be free to all, however people wishing to attend are required to obtain an online ticket so that the Shire can monitor attendance numbers and record attendee details for COVID-19 contact tracing. Tickets are available from eventbrite.com.au, search for events in Cue or by artist Adam Brand. Signing up for an account is not necessary, with name, contact number and email all that is required to secure your place.

The Shire office and depot will close at 12 noon on Friday 18 December for the annual Christmas shut down. The office and depot will both re-open on Monday 4 January 2021. On behalf of the Councillors and staff of the Shire of Cue, I wish everyone a safe and happy Christmas and New Year. Let's hope 2021 is a better year than 2020!

Upcoming events:

Wednesday 2 December - Volunteers Night

Saturday 12 December - Town Christmas Party

Saturday 19 December – Adam Brand concert on the oval (Far Cue 2020)

**Rob Madson**

**Chief Executive Officer, Shire of Cue**

**Next ordinary Council meeting - 6:30pm Tuesday 15 December 2020**

# POLICE BEAT

## Traffic

G'day people of Cue and any visitors we may have. We hope this edition finds you in good health!

Not much has changed since our last article, we are still pounding the highway and collecting kilometers with the old traffic sedan, and (not surprisingly unfortunately!) we are still encountering people putting themselves, their families and other road users at risk by carrying too much speed on our roads. Thankfully the majority seem to be people passing through our shire and not local residents, which is encouraging for us, knowing that the people living in our community have respect for the roads out here in the bush and for other road users. Keep up the good work!

## Crime

Over the last couple of weeks we have seen a small rise in incidents of youth anti-social behavior within the town, and we have also had an incident of burglary (although thankfully nothing stolen as a result), and this is a little disappointing. The community of Cue by no means has any major issue with crime, however if we don't play our part in coming together to address these issues things can quickly escalate.

I would ask if you have any information that you believe would be useful to police to help curb any potential incidents occurring, please come and speak to us. We really are a friendly bunch, and I'll even make you a cup of tea for your troubles!

## Community Policing

Staffing here at the station is changing once again with the introduction of one officer and the departing of another.

We give a very warm welcome to S/C Phil Meatyard (and his better half Bethany Winstanley!) Both Phil and Bethany have already established themselves well in town, getting involved in the community and getting to know all you lovely people of Cue. Phil has some great ideas in the pipeline, but I'll let him fill you in on those next month when he will have the pleasure of writing for the dryblower!

It is with sadness that we will be saying goodbye to Sgt Max Walker (probably in early January) as he moves on to new pastures having secured a position in Mullewa as officer in charge of the police station there. Max is a solid police officer with a level head in any situation, and a good bloke all round, and he will be sorely missed. We wish him well in his future endeavors at Mullewa.

Over the last couple of weeks we have managed to get to the school and get involved in some sports with the kids. We have some cracking little athletes there who put us through our paces (my hamstrings hurt just thinking about going back!), and we are looking forward to getting back again soon. Parents, please make the most of the great school we have here in town and support it by making sure all the kids get to school each day. The staff at the school are fantastic and provide such a great opportunity for the children to gain an education and get to where they want to be in life, but the opportunity is only good if it is taken, so I encourage all the children here to make the most of it and keep those teachers busy!

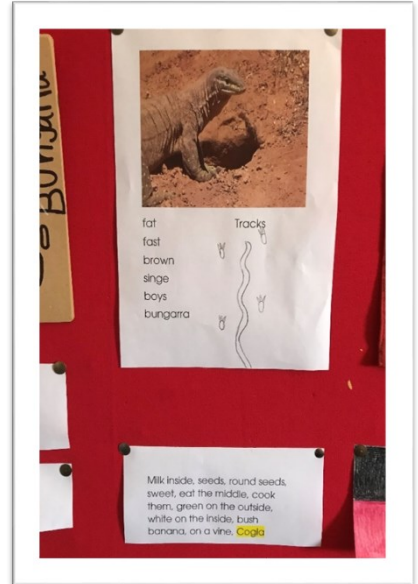

As always we promote vigilance within the community to ensure that all residents and property remain safe. We work hard for what we have so let's look after it!

Senior Constable Adrian McKeown  
Cue Police Station.

## Term 4 2020, End of Year

Wow this term has been whizzing past....  
During NAIDOC week students worked on creating adjective poems, learnt about the symbols and history of the Aboriginal and Torres Strait Islander flag and practised their persuasive writing skills by writing letters to the Shire and Westgold exploring the ideas of how we could fly the Aboriginal Flag. They also decorated and delivered biscuits for the staff at the Shire and Westgold offices.

Cue's new police officers visited the school to talk with the students about Road Safety and Road Awareness as part of the school's Health Program. After our session there was time for everyone to have a soccer skills and drill game.

The Students and Staff had a fantastic time at the Cue Primary Geraldton Camp 2020. The students were involved and engaged in a number of activities involving Team Building, Resilience, Thinking Creatively as well as increasing their swimming ability with lessons every day. It was a positive and fun camp - Great job by all the staff who planned the Camp, drove the bus, drove the support vehicle and supported the kids to have a wonderful experience in Geraldton.

**Teach – Learn – Grow** visited us during week 8. Five young and very enthusiastic volunteers offered one-on-one mentoring and tutoring to some of our students. The children enjoyed taking part in the great activities that were planned and a fun week was had by all. They look forward to coming back next year for another Rural Program.

Congratulations to Ian Dennis who was the successful applicant for the vacant Manager Corporate Services position at the school. He is available to answer your calls Monday to Thursday each week.

We look forward to seeing everyone at the various end of year functions – especially the Community Christmas event.

Thank you to the township of Cue for welcoming me to the community in 2020. I came for a term and have enjoyed the entire year. I wish everyone in Cue all the best for the future.

Have a wonderful Christmas and a safe and happy New Year.

Mrs K  
Principal

# St John Ambulance Cue Sub Centre

This year has really blown by, and our volunteer team here in Cue has been kept busy this year. We have had a few changes over the year – we have a new permanent Country Paramedic (Michelle Fyfe) looking after us. You may have seen Michelle around town, particularly on a Thursday when she is here for Ambo training.

We are also sad to see the retirement of two of our long term volunteer ambulance officers from active duty – Jenni Dennis and Udo Kaschner. Both have provided significant years of service to our team, and while both will be involved with St Johns in a volunteer support capacity, they will no longer be on active duty. When you do see them around town, please take the time to thank them for their years of service to this town, it has been greatly appreciated, and should be acknowledged for the amazing contribution they have made.

Ian Dennis has also stepped down as Chairman of the Cue Sub-Centre but will remain a part of our wonderful team – his leadership has been, guiding us through the last few years, ensuring our sub-centre has remained operational, including organising of a temporary second ambulance, and the purchase of a permanent second vehicle for the town. He has also seen us through a peak in the number of callouts responded to by the team. A big thank you to Ian for your leadership and support.

The purchase of the second ambulance for Cue has been on the agenda for the last few months, and we were recently given the opportunity to purchase the vehicle at Mount Magnet, which has been approved. So we now have two ambulances again for Cue. We couldn't have done this without the support of Joyce and Daryl at the Queen of the Murchison - the very kind donation they made to the purchase of the vehicle was a big step in ensuring we could go forward with acquiring the vehicle. The Shire of Cue also deserve a shout out for their generous donation towards the purchase of the ambulance as well. So a very big THANK YOU to both for your support of our emergency services.

One final thank you – to all our Ambulance Volunteers. You guys are amazing! In 2020, our volunteers donated 255 hours of their time to supporting our community. Some of our volunteers have given almost 2 full weeks of volunteer time, just in call outs alone. Add in 108 hours of training by our team over the course of the year, and each of our vollies has donated around 52 hours each this year. Their dedication to ensuring they provide a high level of professional service when responding to calls in Cue and surrounding areas is noted and appreciated.

# Murchison Calcutta

On November 26<sup>th</sup>, Water Corp, along with RDAMWG, Midwest Regional Development, the Shire of Cue, Cue CRC, RDA Mining and the Chamber of Commerce hosted this year's Calcutta, an annual event that prefaces the last sitting of Cue Parliament for the year.

Every year Barb Thompson the Midwest Officer for RDAMWG organises the Murchison Calcutta Cup, unfortunately, Barb couldn't attend this year due to personal reasons.

Julian Canny, our race caller, took over from Barb this year and MC'd the entire event, which we very much appreciate.

Food was supplied by Janet at Tasty J's with the help of Kaol.

Beth from the Shire of Cue took some great photographs of the event.

Through raffle and fascinator sales \$1585 was raised throughout the night with all proceeds going to the Royal Flying Doctors Service.

One of our own won the Murchison Calcutta Cup for 2020. A huge congratulations to Pixie Pigdon.

A big thank you to Tracy and Julie for setting up and pulling off a wonderful night, in Barb's absence.

# ETHOS RECYCLING

## Change Starts With You

### About Ethos Recycling.

Every year in Western Australia, we use 1.3 billion drink containers. That's enough containers to circumnavigate the whole state SIX TIMES in just one year. Ethos Recycling aims to create a local solution to this issue in Western Australia through providing businesses with an easy, cost-free way to recycle their waste, and **make some cash while doing it.**

Ethos Recycling has become a part of the solution by providing:

- A mobile container collection service;
- A permanent over the counter service;
- An aggregation point for beverage containers.

### About Containers for Change.

On 1 October 2020, Containers for Change was launched here in Western Australia. This government initiative aims to reduce litter and increase recycling at no cost to the consumer. Under the Containers for Change scheme, participants receive 10 cents for every eligible container they return. This means Western Australians now have the chance to **make real change and earn cash while they do it.**

By recycling through Containers for Change you help to:

- Reduce litter and landfill
- Create jobs
- Increase recycling
- Provide opportunities for social enterprise and benefits for community organisations

### How Ethos Recycling Works.

Ethos Recycling will provide your business with an empty **refund pod** that your business will subsequently fill with eligible used containers. When your pod is close to full, simply call Ethos Recycling and we will swap out your full pod for a clean, empty one. We will then transport your pod to either the **Del Park Roadhouse** or **Cue Roadhouse refund points**, **process your refund** and deposit it into your specified **bank account**. The service Ethos Recycle offers is of no cost to your business and provides your business with a way to make some extra cash!

FILL

CALL

SWAP

TRANSPORT

REFUND

### Eligible Containers.

Most aluminium, glass, plastic, steel and liquid paperboard drink containers between 150ml and 3L are eligible for the 10-cent refund.

Milk and wine bottles are a no-go.

## Refund Points.

There are four designated refund points that Ethos Recycling utilises.

DEL PARK ROADHOUSE

MOUNT MAGNET

CUE ROADHOUSE

KARNUP ROADHOUSE

The Del Park Roadhouse is the home of Ethos Recycling, although we also process refunds at the Cue Roadhouse. The Ethos Recycling facility at Del Park operates as a part of the current roadhouse site, with yard facilities extended and upgraded to meet the needs of Ethos Recycling.

## It's Not A Waste. It's A Resource!

Recent reports estimate that Australians could be missing out on up to **\$324 million** of waste refund value **each year** just from the containers sitting in our kerbside bins!

Instead of viewing these containers as 'waste,' Ethos Recycling wants businesses in Western Australia to think of them as a tradable asset, a commodity with a market value, and as a way to make some extra cash.

## Recycling Revenue.

The return made on your recycling can either be deposited directly into your nominated bank account or used to fund designated community groups and charities in Western Australia. It's completely up to you to decide where your Recycling Revenue goes!

## **YOUTH COORDINATOR**

### **Position:**

The Shire of Cue is currently looking for a dedicated individual to fill the role of Youth Coordinator.

The Cue Railway Station is currently undergoing a complete renovation and on completion will be home to the new Youth and Community Centre for Cue. From this location the Youth Coordinator will be responsible for the delivery of youth focused programs that encourage positive engagement with the youth of Cue.

You will be building connections with the young people in town, particularly in the development of new programs in arts and crafts/ sports/ caring for country and more that actively engage our youth.

The position includes providing after school and weekend educational, social and recreational programs for local youth. The role is part time, up to forty hours per fortnight with an indicative salary range of \$28,881 to \$39,269, plus other benefits offered by the Shire of Cue.

Experience in a related field is desirable but not essential as the Shire of Cue is prepared to provide training for the right applicant. The position requires basic administrative skills such as time keeping, report writing and computer skills.

If you are someone who is driven to making a positive impact in the community and has established leadership skills, then this role might be perfect for you.

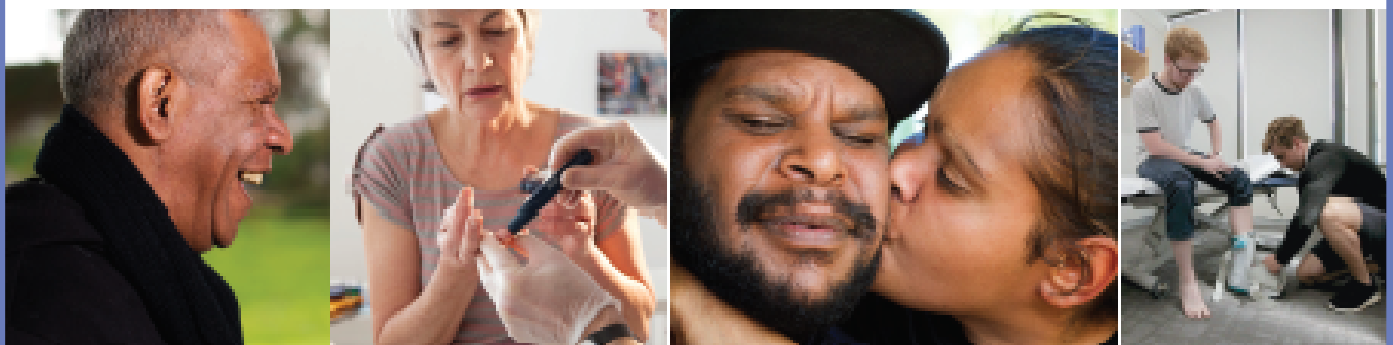

**To be considered for this position the successful candidate will be able to demonstrate:**

- Previous experience in a Youth focused support role
- Previous experience working with aboriginal people in remote locations
- An appreciation of local indigenous culture
- Awareness and understanding of the factors that impact young people
- Experience building relationships with other stakeholders in the community
- A current driver's license (LR preferred but not required)
- Capability of obtaining the following:
  - First Aid Certificate

# SMOKEN SALMON WREATH RECIPE

## INGREDIENTS

1 fennel bulb  
3 limes  
2 green shallots  
3 large ripe avocados  
250g baby cucumbers, ribboned  
1 bunch radish, thinly sliced  
extra virgin olive oil, to drizzle  
creme fraiche, to serve  
salmon roe, to serve  
dill, to serve  
micro herbs, to serve  
crackers or crusty bread, to serve

## METHOD

### STEP 1

Use a mandoline to thinly slice the fennel length ways. place in a large bowl with the juice of 1 lime. Add a large pinch of salt, toss to combine and set aside to pickle.

### STEP 2

Cut shallots into 8cm lengths and thinly slice length ways. place in a bowl of iced water for 2 - 3 minutes or until lightly curled. Drain well. Roughly mash the avocados in a bowl. Add the juice from the remaining limes, season and stir to combine.

### STEP 3

Drain fennel. Arrange avocado in a heaped circle around the edge of a large plate. arrange pickled fennel, cucumber, shallot and salmon over the top. Drizzle with oil and season with pepper. Dollop on creme fraiche and salmon roe. Scatter with the dill and herbs. Serve immediately with crackers or bread.

# WHITE CHRISTMAS ICE-CREAM SANDWICHES

## INGREDIENTS

60g ice-cream wafers  
375ml thickened cream  
395g sweetened condensed milk  
270ml coconut cream  
70g rice bubbles  
160g frozen raspberries  
290g white choc melts, melted  
20g shredded coconut, toasted  
40g chopped pistachios

## METHOD

### STEP 1

Line a slice pan with 2 layers of cling wrap, extending over the sides 10cm. Arrange wafers leaving a 2cm gap down the middle of the pan.

### STEP 2

Whisk cream & condensed milk until soft peaks form. Gradually add coconut milk & whisk until just combined. Fold in rice bubbles & frozen raspberries until just combined. Carefully spoon over wafers & smooth the surface. Cover with remaining wafers to line up with the base wafers. Fold over cling wrap and freeze for 4hrs.

### STEP 3

When firm lift the slab out of the pan onto a chopping board. Trim off the excess around wafers & down the 2cm centre gap. Working from the centre, carefully slice the slab into 12 wafer sized sandwiches. Place on a baking paper lined tray and return to the freezer for 1hr before decorating.

### STEP 4

Taking one ice-cream sandwich from freezer at a time, dip one end into melted chocolate to come 2cm up the sides. Sprinkle half the sandwiches with coconut and half with pistachio. Return sandwiches to freezer for 1hr to set.
