FROM THE CRC

Hi Cue-mmunity,

What a month for our little town. We had The Magicians brother and sister team Adam and Selina, put on by the Shire of Cue which was an awesome event and something different. Then ANZAC day Dawn Service, with a breakfast at the Queen of the Murchison Guesthouse & Café, again put on by the Shire of Cue.

The Cue CRC had our first Tourist Park sausage sizzle and we hosted our first Twilight Markets. Thanks to Dianne and Steve for allowing us to host the sausage sizzle at the Cue Tourist Park, we had quite a few people in attendance, which is always great to see.

The Twilight Markets was a huge hit, we had a large number of tourist and locals enjoying a free sausage sizzle or chips and ice-cream from the Cue Volunteer Fire Brigade. We would like to thank the Fire Brigade for supplying the food, which I'm sure helped to get as many people out and about on a Thursday night. The Cue CRC and it's members would also like to thank all the stall holders and hope you all made a bit of extra cash. We would also like to thank the locals and tourists that came for a look, you all made our night a huge success.

In May we have Craft every Wednesday, Department of Transport on the Monday the 17th, Walking Group every Monday from 5.00pm, Australia's Biggest Morning Tea on the 27th and Sunday Markets on the 30th from 9.30am.

Also, don't forget Mother's Day on Sunday the 9th, make your Mum feel special even if it's just a phone call. And all the Mum's out there please have a great day, I'm sure you deserve it.

FROM THE CEO

Tourist season is well and truly underway and I welcome all first time and returning visitors to Cue and hope you enjoy your stay.

My own time in Cue is coming to a close. With my contract finishing on 30 June 2021, I have decided to retire from local government and return to Tasmania to spend more time with my family. The selection process for my replacement has commenced, with the position advertised Australia wide.

Construction of the sealed turning nodes at Cue Aerodrome is now complete, enabling Westgold to use larger aircraft to service their FIFO operations. Previously, up to three separate aircraft were used each day to accommodate the travelling arrangements of Westgold's workforce. With the airstrip improvements, all workers can now be transported utilising Cobham's 80 seater Q400 turboprop.

Resurfacing of all streets within the Cue townsite has recently been completed by Downer EDI. Renewal of the line marking will be completed soon. Austin Street was not included as this falls under the jurisdiction of Main Roads WA, being part of the Great Northern Highway.

The ANZAC Day dawn service at Arthur Stanley Memorial Park was well attended, even though a last minute decision by Westgold excluded their workers from attending due to concerns regarding workers having flown in from Perth while the city was in lockdown. The bugling talent of Graham Morphett has always been a real feature of this event and the Shire thanks Graham for his dedicated service over many years. Thanks also to the ex-servicemen who stepped into the breach to lay wreaths for those not in attendance.

At the most recent Cue Parliament, regional Shire representatives passed a motion to request the WA Local Government Association to advocate for the State Government to urgently address the high suicide rate in the Midwest region and reinstate health support services that have previously been delivered from Meekatharra.

Tenders for the construction of new footpaths in town were recently awarded by Council, with Axiis Contracting successfully bidding for the next projects in the Shire's shared use pathway program. Work will commence shortly on unfinished sections of footpath on Dowley, Allen and Austin Streets and new footpaths on Stewart and Chesson Streets.

As the weather is getting cooler, barefoot bowls will be starting up again in the near future. Keep an eye out for notices advising of the recommencement of this fun activity.

Upcoming events:

Volunteers Night at the Shire Hall – Saturday, 22 May

Rob Madson
Chief Executive Officer, Shire of Cue

Next ordinary Council meeting - 6:30pm Tuesday 18 May 2021

Australian Government
Australian Taxation Office

ATO drought assistance

Are you impacted by drought?

The ATO offers a range of assistance and support measures to drought-affected communities to help you manage your tax affairs.

Depending on your situation, the following assistance may be available to you:

- more time to pay or payment plans with interest-free periods
- waiving penalties or interest charges
- tax incentives for primary producers
- small business tax concessions.

To find out more about ATO drought assistance
visit ato.gov.au/drought

To discuss support for your situation, phone
the ATO on 1800 806 218

This ANZAC day we remember those men and women who served and those who gave their lives in defence of our freedom, serving our country during conflict and crisis. The service was held at Arthur Stanley Memorial Park at 5:45am, run by the Shire and joined by many who made the effort to honour their countrymen on this day of gratitude and sacrifice.

Ross Pidgon (Shire President) opened the service as the Australia flag was raised by our very own Volunteer Fire Brigade Lieutenant, Steven Manning, who represented both himself and his brigade well. We took the time to remember the soldiers from Cue who were killed during WWI which took more than 60,000 Australian lives. Ross continued to lead the services as the Anzac address was read reminding us of the young soldiers of Gallipoli who became the first Anzacs. Australians doing their best in a campaign of intense ferocity, where nearly 8,000 were killed and 78,000 wounded.

After the address came the laying of the wreaths, first was for the Ex Serviceman laid by Steven Wandmaker who served in the 2/4th Battalion, Royal Australian Regiment. Next was Les Price the Shire Deputy President, who laid a wreath on behalf of the Shire of Cue. Alan Pratt who served from 1971–1972 in the 17 Construction Workshops, stepped up for Cue Village who unfortunately along with Westgold could not attend the service due to COVID19 restrictions. Westgold's wreath was laid by Joe Aird who served in the 9th Battalion, Royal Australian Regiment.

We would like to thank Westgold who dropped off the fresh wreath to the Shire and acknowledge both Corporal Mathew Warren of the Royal Australian Electricians and Mechanical Engineers, 8/12 Medium Artillery Regiment and Leading Seaman Michael Disney, HMAS Toowoomba, who would have laid these wreaths if able.

Then came Graham Morphett's Last post and reveille played beautifully on his Bugle, as we observed one minute of silence in memory of those who laid down their lives. The ode of remembrance, Lord's Prayer and Advance Australia Fair were led by Ross to conclude our service. We were all then lucky enough to be welcomed by The Queen of the Murchison Guest House and Café for a delicious full cooked breakfast that was much appreciated by all who attended. Thank you to all who joined us at the service and contributed towards its smooth running, but we must obviously finish by thanking those who served us, we will remember them...

poem by Gloria Fogarty

DADDY

remembering you on ANZAC Day

When I was just a little girl I saw one night when you had a fit. I didn't know then that these fits you had, could have been the result of something that was caused upon you after you came home from the war. Now I've grown up dad and I try to understand, how you must have suffered when you fought for our Australian land. I watched you march on every ANZAC Day as you remembered your lost mates and friends. Your shoulders back, head held so high.

When I think of those days dad, I always cry. With pride in yourself on ANZAC Day, your medals on your chest as they jingle and sway. Left right, left right, I remember that sound so well, but now my dad rest peacefully, for I now carry on your fight for your land, our land, Badimia land.

You taught me to play the spoons and tap dance too, but I know I'll never be as good as you. For now your home dad and I am proud of you, Phil and I won't forget you. Your eldest grandson is with Phil and I today to remember how proud you were on ANZAC Day.

To the Residents of Cue.

It's time we from the team of Westgold, give a little bit of an update to the residents in the town that we have centralised our operations in, and what a better time to do it than with the commissioning of the upgrades that both the Council and Westgold have been working on for the last couple of years and recently completed construction works.

For some background, when I commenced in the role as General Manger in the Cue operations, we had a little over 100 employees in the area, with Comet Underground just getting into production, Tuckabianna Mill just starting and the refurbishment of the Big Bell Underground just commencing.

Since then, the team at Westgold in the Cue area has grown to over 500 employees, and a ramp up underway at Big Bell, multiple Open Pit Operations being completed and more started, life bought back into the Great Fingall Mining Area, a second mining camp at Big Bell, and most recently, upgrades to the airstrip.

With flights that commenced in and out of Cue, we had a single 9 seat plane, 3 times a week, for core staff, and the rest flying in and out of Meekatharra. Our flight provider then sourced some more economical planes, and we bought the majority of the workforce to Cue Airstrip. Due to size restrictions as the strip was not CASA certified, we were flying anywhere up to 4 planes per day, averaging 11+ flights per week – a logistical nightmare!

After lots of work in the background from the team on the Council, we are now flying 3 flights per week with Cobham, utilising their relatively new 76 seat Q400 aircraft, and one small plane a week – creating significant benefits to the workforce in more comfortable and quicker flying times.

Q400 Plane on the apron

As an update to our current operations and projects, this is where we are at:

The Big Bell mine is starting to get into some steady production, with more work areas opening up. This project is the cornerstone of the Cue operations, which, when at full capacity, will provide the majority of the feed to the Tuckabianna Mill. The site is serviced by its own mining camp, with the crews flying in via Cue. There is more planned expansion to the mining operations planned later in the year.

Cuddingwarra area, just out to the West of town where the Rivet haulage trucks are based, is our current focus for open pit operations, potentially for a long time to come. We have completed a few small pits to the south of the road, now setting up a longer-term home on the North side, at the Big Bell road turnoff. We have multiple pits to mine here and a modernised fleet being mobilised.

Out at Day Dawn and Great Fingall, we have a little bit of action on the horizon, with a small team based out there whist the timing on the mining of the Great Fingall and Golden Crown Underground mines is assessed, along with more Open Pit options.

Heading to the East, we have the Comet Underground, which has been running for around 4.5 years now, still ticking along. It's a small underground with a good team. Recently we have started producing from a new mining area at Pinnacles, off the existing Comet infrastructure.

Out at Tuckabianna, the mill is going strong. It has a small workforce that does some wonderful things. There is plenty of opportunity in this area, and the exploration teams won't be far away.

In the lead-up to Christmas, some would have noticed plenty of drill rigs in the area, many are ours, and all there to help us get mines running by increasing the density of data, and sometimes, heading out on our tenements to areas with little information to try find the next big thing.

On the projects front, now with the airport completed, the next big one will be the access roads within the region. As many are aware, these are full time work maintaining, and in working with the Shire, we are commencing the project work on making these better, and putting a seal on most of them. To that end, we are also working with Main Roads and the Shire to put a bypass road around the South side of town, to the South of the pit to get our road trains away from the residents. This will improve safety and noise around the town, and hopefully approvals will soon be granted so we can start the process.

We are a very busy group, and as many know, have a small team in the old Municipal Chambers on Robinson Street. This is the main administration team for the operations.

Please be advised, Westgold are still not allowing prospecting on any of its tenements in the Cue or Meekatharra regions. The main reasons for this is that we are either working or preparing works on many of them and it is just not safe.

New turning nodes and lights

The Cue operations are constantly expanding and we are always looking for keen workers with a good work ethic to come and join our workforce. For any enquiries, please get hold of our HR Teams on 08 94623400 or search for jobs with Westgold or our Underground Contracting Division Minterra! Don't forget to follow us on Facebook or LinkedIn for constant updates!

I think that's most of it from us.

Thanks for you hospitality and stay safe!

Regards

The team from Westgold.

The background of the top half of the poster is a light yellow color with a repeating pattern of small, stylized teapots and teacups in dark blue and yellow. A large white circle is centered on this background, containing the main title text.

GARDEN LOVERS

Do you love pottering around in your garden or just admiring the beauty of nature in a garden whether it be Cacti, Succulents, Vegetables or just a lovely flower display. Are you keen to learn from others who love gardening.

If you are interested we would like to share ideas, plants, cuttings or simply just have a chat about the joys of pottering around in your garden.

Whatever your interest , sharing your successes or failures with fellow garden lovers is a lot of fun, especially when it is with a cuppa.

THE YOUTH CENTRE

Hope everyone has settled back nicely to school routine. This past month we've had a great school holiday with our youths with lots of activities. Some of the highlights include Easter events, waterslide at Brockman Park, movie night and the art competition. What a blast!

Here is what to look out for in **May**:
CAMHS visit on Monday 10th

Saturday excursions TBC (we will let you know in advance for excursions/incursions)

Drop-in sessions from Monday – Friday after school @ 2:30 PM – 4:30 PM

Drop-in sessions on weekends & Public Holidays @ 9:00 AM – 1:00 PM

Thank you again for all who have participated at the Bingo Night in March. Funds were used in purchasing art supplies (paints, brushes, canvases) and prizes for the art competition. The votes were very close, so everyone ended up being winner, which was fantastic! We look forward to doing more art in the community and our youths are very keen (& talented).

Thank you **Kathleen**, for showing up and spending quality time with our youths during many of our sessions, and for helping out on the Movie night.

Thank you **Miss Ellie Sanford** from Cue PS for your generous donation of snacks for our youths as always.

Last but not least, thank you **Mr. Eric Brockman** for your help with putting the chairs away after the Magicians night and making sure that young ones stay safe. You are a legend!

As per usual, stay connected with us by following our FB Page @CueYouthCentre for up-to-date activities, photos and announcements. We welcome volunteers during sessions and any healthy snacks!

Thank you all for your support and thoughtful attention with our youths.

Sydney & Caris

THE MAGICIANS

Brother, sister act Adam and Selina the Magicians performed at the Shire Hall on the 17th April to a sold out crowd with some lovely visitors from Meekatharra and Mt Magnet. The night started with a free yummy meal provided by the Shire and their lovely staff. Everyone took to their seats and waited.....

The crowd waited with great anticipation then the music started and so did the smiles. What a show it was, it left the audience OOOing and AHHing. Who knew we had magicians assistants in the crowd. Even the assistants standing so close to them were astounded as to how they did the magic right in front of them.

Everyone left with all different ideas how each of the tricks were done...Fantastic show and fantastic people to work with, well done Adam and Selina!

At Cue Primary we value the importance of attending school every single day and on the last day of last term we recognised our students who attended more than 80%. Families were invited to a special lunch and the students enjoyed an old fashioned black plastic waterslide. I would like to thank those families and the community for supporting our efforts at make Cue PS a successful place for learning. We would especially like to thank Jackie Towell for cooking our awesome lunch.

This term will see staff attending training in the Multilit reading suite, introduction of a home reading program and hopefully build on our volunteer readers as we look to get our students reading fluently. If you can spare as little as 30 minutes once a week at about 10:30am to help a student practise their reading it would be greatly appreciated. Please contact Dani or Neil at the school.

This term kicked off with a student led ANZAC service at school followed by a cuppa and ANZAC biscuits freshly made by the students. Thank you to families and community members who attended for their positive support.

Scitech also visited us and it was fantastic to see the students predicting what would happen in an experiment and then finding reasons (variables) for why it did or did not work. They were highly engaged in this visit are already looking forward to the next one.

Respect, Resilience & Responsibility

Cue PS is teaching our students positive behaviours and our core virtues are Our students are explicitly taught about these and rewarded when observed displaying the virtues. If you happen to see any of our students displaying these please feel free to contact us and let us know as well.

THE POLICE BEAT

Hello Cue residents,

April has been a good month from a policing perspective, with very little crime to report, and here at the station we are hoping that continues! That said, over the last few weeks we have seen a rise in reports of youth anti-social behavior involving slingshots, and so I encourage all parents to be a bit more intrusive when it comes to our kids, and know where they are and what they are doing.

The shire afterschool youth club is now well established, with Sydney and Caris doing an awesome job engaging the youth and providing some structured activities for them. We were lucky enough to have them visit us here at the station on Wednesday 28 April 2021 and put us through our paces in the courtroom. We had a number of mock trials held by the kids with some harsh punishments handed out, and no one escaped the magistrate on this occasion, not even the police!!

With tourist season now well underway I encourage everyone to take extra care on our roads. There has been a marked increase in traffic going through town, which is great for our local businesses, however does provide more risk to our community. Stay safe on our roads and report any unacceptable driving behaviour to Police and we will follow it up.

I'd like to take the opportunity to thank all those involved in organizing and helping out with the community twilight market that took place on Thursday 29 April 2021. It was great to see so many people attend, both residents and visitors to town, and was a great event demonstrating what a lovely community we have here in Cue.

In other news, I am pleased to say that we have a new Officer in Charge coming to the police station in the near future. Sergeant Mark Williams will be joining our team here at Cue Police Station, and he will bring with him a wealth of experience having worked all over the state. He is no stranger to bush policing, having spent the last couple of years as officer in charge of Jigalong Multi-Function Police Facility, and so he will be a welcome and valuable addition to the community.

A/Sgt A McKeown
Cue Police Station.

Cue Community Resource Centre

Craft Group

meets every Wednesday at the
Cue CRC from 9.00am

Bring your craft project, or create something
with craft products the CRC has on hand.

Twilight Markets

Thursday 29/04/2021

WOW! We were really pleased with our first Twilight Markets and everyone that came are looking forward to the next one. The next markets will be the Sunday Markets on the 30th of May, and we've got at least 6 confirmed stall holders already. It's looking to be a big one!

At our first Twilight Markets, there was heaps of yummy food available. The Cue Volunteer Fire Brigade joined us and put on a free sausage sizzle, chips and ice cream and it was great to see the whole brigade helping out.

The Volunteer Ambo's also had a stall and were raising money for the Cue Sub Centre, although the for they were selling must have been yummy as it didn't last long—maybe a bit more for next time guys?

The Cue CRC had a stall to help raise money for Australia's Biggest Morning Tea, and we were happy to raise almost \$200.

There were several other stalls with handmade products and everything looked awesome! The Cue CRC and it's members would like to thank everyone for attending and volunteering and hope you'll all be there for next time.

BULK RUBBISH COLLECTION

MONDAY 24TH May 2021

PUT RUBBISH OUT NO EARLIER THAN MONDAY 17th May

All waste including:

Metal (ie. whitegoods)

Green waste

Electronics

Other hard rubbish

required**

Lifeline WA provides counselling to families and individuals, before, during and after times of loss and grief, and support for separated families and parents before, during and after separation.

We welcome and encourage people from all backgrounds to access our counselling service and we actively work to be inclusive and provide a safe space to everyone.

The free service can be accessed face to face in our Northbridge office and across all of Western Australia via telephone or video call.

Book your free counselling appointment today.

To book an appointment, call (08) 9261 4444 or email reception@lifelinewa.org.au
