# Cue CRC Report

Hi All,

Throughout August we had the usual weekly Craft Group and morning tea, although numbers are starting to dwindle with the departure of the regular caravan park occupants. Please note the conference room is available every Wednesday morning for anyone who wants to join the craft group, so please feel free to visit us. And every Friday we have a regular morning tea, again please feel free to join in we welcome anyone who wants to have a chat and a cuppa.

We had Sunday Markets in August with a few locals having tables to sell their wares, be it items they no longer want or items they have created to sell.

Regional Alliance West visited on the 21st August and provided legal and financial services to a few customers. Keep an eye out for posters around town or at the CRC as they visit regularly.

For something new we had Lance Mongoo, a local elder visit the Cue CRC and he utilised the new gazebo to work on some emu egg carving. It's interesting to see how its done and Lance had a chat to some of our tourist who found the process interesting.

**Closing Date: 31 October 2024**

**Local Government Recognising Community Champions.**

# From the CEO

Cue continues to benefit from tourists and visitors who stop, stay and enjoy everything we have to offer. We continue to receive great feedback about how magnificent the town is.

A big congratulations to our Shire President, Les Price, who was the recipient of WALGA's Eminent Service Award. A selection of Councillors and Staff travelled to Perth to attend the WALGA Local Government Awards night where Les was one of six recipients of this award. Beth Walton, President of the Shire of Sandstone, nominated Les who was recognised for the work he does as a Councillor for the Shire of Cue, as well as his work and dedication to the Murchison Region, fighting for the bush as a member of State Council and the Murchison Regional Vermin Council.

The Board of Directors for Australia's Golden Outback held their August board meeting in Cue on Wednesday 7 August 2024. The Shire of Cue provided a short presentation to the Board on the tourism and heritage projects currently being undertaken. The Board visited Big Bell, Walga Rock and our heritage buildings. We received great feedback from them regarding our town, our heritage buildings and our tourism promotion.

Do you know someone who makes our community a better place? Nominations have now opened for the Australia Day Community Citizen of the Year Awards. Nominations can be made online at [citizenshipawards.com.au](http://citizenshipawards.com.au). We encourage everyone to take the time to nominate someone from our community in the following categories:

- Citizen of the Year
- Senior Citizen of the Year
- Youth Citizen of the Year
- Active Citizenship (Group or Event)

The Murchison Junior Football League had its most successful season so far. Turnout this year was excellent including the number of parents, friends and family who attended and supported it. Most games had around 70 children playing and players from Burringurrah came to play in Meekatharra. Next season we have interest from Yulga Jinna, Pia Wadjarri, Burringurrah and Wiluna to join in the fun. The League is run and organised by volunteers from all participating towns and I would like to thank them and the sponsors for their ongoing support for the children of the Murchison region.

2025 season jumpers designed by  
Janine Mongoo and donated by  
Australian Vanadium.

Community Trailer kindly donated by Westgold.

---

The Cue Rifle Club has been re-established and held a busy bee on Saturday 17 August. Local station owners together with the Shire of Cue kindly donated equipment to clean up the club room and range. A big thank you to all the volunteers who came and helped get the range ready. If you are interested in joining the Rifle Club, please contact Michelle Lowen on 0455 327 515.

Barefoot bowls is on Wednesday nights from 6.30pm to 8.30pm. Everyone is welcome to attend. It's free and all equipment is provided. For more details call the Shire on 9963 8600.

Dog owners are reminded of their obligations to keep their dogs contained within the boundaries of their property or on a leash while walking. Please be considerate of others as it can be quite confronting to be approached by an unknown dog while out walking. Just a reminder to everyone, the Shire Ranger visits the area frequently and will act against unrestrained dogs in public places, which may result in a financial penalty to the owner. The only authorised area within the townsite where dogs are permitted to be exercised off-leash is the town oval.

Mosquito fogging will begin again soon and be carried out intermittently. It will occur when conditions are suitable which is usually around dusk but can be early morning.

Upcoming events:

- Wednesday nights - Barefoot Bowls
- September 5 - 7 Murchison Geo-region Stargazing event
- Wednesday 18 September - Australian Baroque Vivaldi
- Friday 27 September – Seniors Morning Tea, 10am at the CRC

**Glenn Boyes**  
**Acting Chief Executive Officer, Shire of Cue**

**Next Ordinary Council meeting – 6.00pm Tuesday 17 September 2024**

## PUBLIC NOTICE

### REGISTRATIONS OF INTEREST FOR THE RENTAL OF INDUSTRIAL SHEDS IN CUE

The Shire of Cue is seeking registrations of interest for the rental of industrial sheds in Cue.

There are three 12m x 15m workshops available. The Shire will give preference to trades and businesses prepared to operate and service the town of Cue including trades and automotive services or trading entities that can offer a business that services the general public.

Rental terms will be negotiated with the successful applicants. If you are looking for an opportunity to start your own business or to establish a business premises in the Murchison region, then this could be for you.

Submissions detailing your proposal and demonstrating benefits to the local community can be addressed to Chief Executive Officer, Shire of Cue, PO Box 84, Cue WA 6640 or via email [shire@cue.wa.gov.au](mailto:shire@cue.wa.gov.au).

Richard Towell  
Chief Executive Officer

## **PUBLIC NOTICE CHANGE OF COUNCIL MEETING DATE**

**Please be advised that the  
Ordinary Meeting of Council scheduled for  
Tuesday 15 October 2024 has been rescheduled to**

**Tuesday 22 October 2024**

**to be held in the Council Chambers, 73 Austin Street,  
Cue commencing at 6.00pm.**

Richard Towell  
Chief Executive Officer

## Give yourself the best chance by finding cancer early

Our Find Cancer Early campaign encourages those over 40 years of age in regional Western Australia to give yourself the best chance of finding cancer early by going to see a doctor, clinic nurse or Aboriginal health worker straight away if you notice any unusual symptoms.

In August, Cancer Council WA relaunched the 'Give yourself the best chance' campaign which features two regional West Australians, Cherie Slater and Damien Healy, who generously and bravely shared their stories to raise awareness of the importance of early diagnosis. They highlight the three most urgent possible symptoms of cancer:

- Blood in pee
- Blood in poo
- Coughing up blood

The key message is to know your body and what's normal for you, and if you're over 40 and notice anything unusual, tell your doctor straight away. The campaign will run from August 2024 until March 2025 on regional TV stations (GWN and WIN), Aboriginal TV stations (ICTV and NITV) and will be complemented by advertising on radio stations (Radio Mama, PAKAM, NG Media, Goolarri, Ngaarda, 6WR Waringarri and 6PAC Tjuma Pulka), catch up TV, Facebook, YouTube and out of home media.

For more information about cancer symptoms, visit: [www.findcancerearly.com.au](http://www.findcancerearly.com.au) or call the Cancer Council Information and Support Line on **13 11 20**.

*The Find Cancer Early campaign is an initiative of Cancer Council WA & is funded by Department of Health WA.*

## September is prostate cancer awareness month.

Prostate cancer is the most common cancer affecting men in Western Australia. Book an appointment with your doctor if you have noticed symptoms, such as:

- Blood in your wee or semen (once or more)

Or, for more than four weeks:

- Waking a lot at night to wee
- Sudden or urgent need to wee
- Needing to wee a lot
- Problems starting or stopping weeing
- Slow or weak flow when weeing
- Dribbling at the end of weeing
- Losing weight without trying

It may not be prostate cancer, but it is important to get symptoms checked out; that way, we can get back to doing the things we love with the people we love.

To learn more, visit <https://www.findcancerearly.com.au/cancer-symptoms/prostate-cancer/>

For more information about cancer symptoms, visit: [www.findcancerearly.com.au](http://www.findcancerearly.com.au) or call the Cancer Council Information and Support Line on **13 11 20**.

# Council News

Hi 'Dryblower' Readers,

Another month has come and gone, and it seems Christmas is just around the corner.

This month again has been a busy one. There is always productive dialogue between the Councillors and the Cue Shire Administration as we move to progress the many projects we are currently undertaking and developing plans for future project consideration. In all our projects we look to access various available grants to assist with funding. Council is also very mindful of the current housing crisis, the high cost of rent and the issues that come with little or no housing to offer our residents or newcomers to our town. In conjunction with the CEO and the Administration we are currently exploring a number of housing project options. One of the main issues affecting all local Governments is the housing shortage as its impact is felt most when regional Councils and local businesses are looking to employ and retain staff. Both Federal and State Governments need to do more but sadly the focus is not on towns like Cue where there is a low population base and less political impact.

The month kicked off with a Mayors and Presidents Forum in Floreat Park on 2<sup>nd</sup> August organised by the Western Australian Local Government Association ('WALGA'). The focus of the Forum was to address the now serious and rather concerning Polyphagus Shot-hole Borer problem. In my August report I provided some information about this exotic beetle which has destroyed over 3,000 trees in 26 Metropolitan Local Governments.

The vascular system of a piece of wood infested by shot-hole borer beetles.

WALGA has been working with the Department of Primary Industries and Regional Development ('DPIRD') to address the problem. Unfortunately, there does not seem to be a solution for eradicating the beetle. There was concern that the exotic beetle could find its way into the regions, and unfortunately, it has been sighted in the South West town of Harvey.

DPIRD will be undertaking a media campaign to create public awareness and include road signage on major road exit and entry points and alert all travellers and Local Governments to be on the lookout for the beetle. We are asked not to transfer firewood, tree branches, and other green waste into outside regions and thus run the risk of spreading the problem. What is of a real concern with the spread of the beetle in the South West is the avocado industry. The beetle attacks more than 400 tree species, including crops such as apple, avocado, macadamia and mango. Trees grown for timber, such as ash, elms and oaks are also at serious risk.

Whilst it is unlikely that we in Cue or the surrounding Local Governments will see this problem we should be mindful of its impact and be somewhat observant and report any sightings to DPIRD.

Shire Councillors were invited to WALGA's Local Government Awards night on 2nd August. The Awards were held in Winthrop Hall at the University of Western Australia. These awards celebrate 'Excellence in Local Government'.

Among the recipients were many current and former Elected Members and Local Government Officers who have dedicated as many as 45 years in the Local Government sector. We, and the State of WA, are better off because of the service these men and women have given to our communities and continue to give to Local Government.

Through the award winners, Councillors and Staff were given the opportunity to see firsthand the broad scope of work WALGA does on behalf of us all. The time away gave Councillors and Staff the opportunity to come together in an informal way. It was also great to see partners attend the awards night. We often forget that it is the partners who are supportive of Councillors and Staff who invest considerable time and effort to serving their communities.

On the topic of service to our community you will see from the CEO's report that nominations have now opened for the Australia Day Community Citizen of the Year Awards. Nominations can be made online at [citizenshipawards.com.au](https://citizenshipawards.com.au), by scanning the QR code on the poster included in this edition of the Dryblower or by visiting the Shire Administration Office. It is important that we recognise that there are those in our community who are deserving of being nominated, and it is up to us to look for those in our town who are worthy of such recognition.

At our monthly Forum held on 13th August Council was given a progress report on a number of projects we are undertaking which include the Masonic Lodge, the Old Gaol, the WA Bank Building and the work being carried out on the old Municipal Chambers in Robinson Street. Council is always mindful of preserving our valuable buildings. It is pleasing to see that there are now guided tours whereby tourists and our towns folk can visit these impressive buildings and feel the history our town has to offer. The new gym in the main street is taking shape and is not far off opening its doors to new members. I am certain this will be a boost for the town. Council was very pleased to have supported this project

On 14th August Cr. Ian Dennis and I attended the Murchison Regional Vermin Council ('MRVC') meeting in Mt. Magnet along with other Elected Members from Mt. Magnet, Sandstone, and Yalgoo. CEO Geoff Brookes presented the 2024-2025 Annual Budget which was adopted by Council. The Council is responsible for the construction and maintenance of a dog proof fence to assist in the eradication of wild dogs which, over time, have decimated the sheep industry in the region. Unfortunately, whilst we appreciate the financial assistance from both the Federal and State Governments over time to construct the 1,007km vermin proof fence line, there is little likelihood that pastoralists will ever return to the days of a valuable sheep and wool industry. Thanks also go to our regional Shires for their ongoing support.

Today's Dog Proof Fence

Yesterday's Vermin Proof Fence

Council was also pleased to receive a copy of the Conservation Management Plan for the upcoming preservation work of the Masonic Lodge. Council has identified this project as a major undertaking with National Trust significance and we have been fortunate to have received LRCIP funding of \$340,300 from the Department of Infrastructure. Council will consider the architectural drawings when completed and the structural Engineering report on the integrity of the building. Deputy CEO Glenn Boyes has worked tirelessly on this project and was able to convince National Trust to sell the building back to the Shire. Council looks forward to the commencement of this project.

At our Shire Council Meeting on 18th August Council considered and adopted the 2024-2025 Annual Budget. This followed an extensive review by Councillors on 20th July with the CEO and Deputy CEO providing a very detailed overview of Council's expected revenue and expenditure for the forthcoming year.

Our budget always takes into consideration our Corporate Business Plan 2023-2027. The Corporate Business Plan is reviewed every year and sets out the priority actions required to achieve the objectives in the Strategic Community Plan over the 4 year period. Major projects over this time are expected to be funded by grant funding, reserve funds or operating revenues.

The Shire's Community Strategic Plan was developed in consultation with the community and reflects the values, goals, aspirations and vision of the broader community.

If you would like to know more about our Corporate Business Plan, please refer to the following link: <https://www.cue.wa.gov.au/documents/22/corporate-business-plan-2023-2027>

On 20th August I attended a meeting of WALGA's Selection Committee at which meeting a recommendation was made to the relevant Minister for an appointment to the State Library Board. WALGA encourages Elected Members and Officers to nominate for and be appointed to various Local Government Committees and Boards.

I encourage all Councillors to consider nominating for a Committee or Board position which may be of interest to them.

On 21st August I also attended a meeting of the Metropolitan Waste Advisory Council ('MWAC'). This Council sits under the WALGA banner. The Council is made of State Councillors, representative from Local Governments across the State and the Waste Management Industry. The Council is involved in advocating to Government on many waste matters which includes, E-Waste landfill, Asbestos and other Hazzard Waste products, Container Deposit Scheme, and Waste Levy proposals, including a review of Waste Management Legislation.

That's about it from me. Again, please feel free to contact any of your local Councillors to discuss any matters that you would like Council to consider. It is important that we, as Councillors, get to know and understand the direction and pathway you would like out town and Shire to head down.

I hope you all continue to be informed of some of our regular Council activities and any feedback is most welcome.

Shire President  
Les Price

Start small to feel good for your body and mind.

Cancer Council WA's new campaign from the LiveLighter team, called Start Small, is about making small, budget-friendly changes to eat healthier and be more active. Start with a small step then watch those small steps add up to achieve larger goals.

Making a healthy change can be as small as catching up with a friend over a walk, switching to seasonal produce, swapping from sugary drinks to water, or dropping meat from the menu once a week.

The campaign is running from 28 July to the 21 September on social media and digital channels (including digital video, digital audio and online).

## THE SMALL WHEEL OF SMALL THINGS CAN LEAD TO BIG HEALTH WINS AND A \$250 VOUCHER!

Want a chance to WIN one of ten \$250 vouchers to spend at a grocery or sports store of your choice?

LiveLighter are running an online competition for participants who live in WA. Just spin the online 'Small Wheel of Small Things' and register your goal to go in the draw. To find the wheel just head onto the LiveLighter website.

Encouraging WA adults to save money on living expenses whilst maintaining a healthy diet and keeping physically active

Even a small increase in the amount you move can make a difference to your physical and mental health. It can help us sleep better, have more energy, boost our mood, and feel stronger.

It can make it easier when we start small with friends. Could you go for a walk with a friend before a dinner catch up? Or get a takeaway coffee and going for a walk instead of sitting down for brunch?

There are plenty of free or low-cost options around to help us increase our physical activity we just need to find something that suits us and fits into your schedule.

### Try a healthy chicken fried rice instead of takeaway!

#### Ingredients

- 1 tsp canola oil
- ½ brown onion, thinly sliced
- 200g skinless chicken breast, chopped
- 3 cups frozen mixed vegetables
- 250g cooked brown rice
- 1 tbs salt-reduced soy sauce
- 1 tbs sweet chilli sauce
- 3 tbs unsalted roasted cashews

\*Heat oil in a large wok or frypan and add onion. Cook, stirring for 2 mins, until onions are starting to soften

\*Add the chicken and cook for 3 mins, until outside is golden brown.

\*Add frozen mixed vegetables and continue to cook on a high heat, stirring often, until the vegies are defrosted and the chicken is cooked through

\*Add the rice, sweet chilli sauce, soy sauce and cook, stirring, until rice is hot.

\*Serve, and sprinkle with roasted cashews.

For more small swap ideas, head to [livelighter.com.au/startsmall](http://livelighter.com.au/startsmall)

The Autistic Identity and Connection Program is for any autistic person who wants to better understand what it means to be autistic and to connect with other autistic people and community.

Developed by and for autistic people, this free Program will also help you develop skills in wellbeing and self-advocacy from an autistic perspective.

**Applications open  
23 Sep - 4 Oct 2024**

Funded by the Australian Government Department  
of Social Services.  
Go to [www.dss.gov.au](http://www.dss.gov.au) for more information.

**Sylvia  
Rodger  
Academy**

## Autistic Identity and Connection Program

### Eligibility

- Identify as autistic
- Aged 18 or over
- Live in Qld, SA, WA, or the NT\*
- Be willing and available to participate in all Program activities

*\* Not all areas of Qld, SA, WA and the NT are eligible. Visit our website to check your eligibility.*

**For more info or to apply**
