Cue CRC Report

Hi All,

It's 2025 already! Can you believe it?

The Cue CRC had a fantastic year in 2024, and we're excited to make 2025 even better with a packed calendar of activities and events. This year, we're introducing some fresh ideas and keeping our doors open for even more community engagement.

What's Happening in 2025?

We've been planning a variety of events, including the usual craft workshops and market days, which we're now hosting on Saturdays. Starting February 1st, Cue CRC will be open on Saturdays, making it easier for more of you to join us.

While January and February are usually quieter months, we're gearing up for a busy March with the return of our regular Craft Group meetups and morning teas. We're also bringing back our popular sublimation workshops, game nights, and tourist park sausage sizzles. Bingo Nights have been requested—and they were already on our agenda—so stay tuned for those as well! Plus, in May, we'll be hosting a Biggest Morning Tea event to hopefully raise even more funds than last years efforts! These are just a few things that we are doing in the first 6 months of this year, so stay tuned for all of our activities and events, which will be advertised in the Dryblower and on both our website and Facebook page.

Planning Ahead

So far, we've outlined activities for the first six months of the year. As for the second half of 2025, plans are still in the works, and we'd love to hear your ideas! If there's an activity or event you'd like to see, please let us know, and we'll do our best to make it happen.

We're looking forward to an amazing year ahead and can't wait to share these experiences with all of you. Let's make 2025 a year to remember!

Julie Humphreys
Manager

AUSTRALIA DAY

JANUARY 26th

Come celebrate our great town with
entertainment by Geoff Udy.
Food & refreshments provided by the Shire
of Cue at 6.30pm.
The night concluding with fireworks.

From the CEO

Happy New Year to Everyone. I hope you had an enjoyable festive season. The Shire of Cue was closed for a well needed break over the Christmas and New Year period, and I thank the staff that worked over this time to keep the town in good shape.

We held some great events in December 2024. Firstly, we celebrated all our Volunteers by holding a Hawaiian themed "Thank a Volunteer" function on Thursday 5 December in the Murchison Club Hotel Gardens. Emmet M8 entertained the volunteers with an array of fabulous music and the Murchison Club Hotel provided an assortment of meats, salads and dessert. Cr Ian Dennis and I were the BBQ Kings this year. Cr Ian Dennis officiated at the ceremony with a very moving speech on the importance of being a volunteer. A big thank you to everyone involved.

The Cue Community Christmas Party was held on Saturday 7 December in the Shire Hall with around eighty people in attendance. The Cue Primary School provided a great show of entertainment with Christmas carols and their end of year presentations. Following this we had a visit from Santa with plenty of gifts for all. The night was well catered for with a magnificent Christmas dinner thanks to some of our local suppliers and the Shire staff. Special mention to Glenn Boyes for the awesome "Christmas Village Scene" that all the children of Cue loved.

The Cue Cuerosity Shoppe held a Cue Seniors Citizens Christmas Lunch at the Queen of the Murchison on Tuesday 10 December. Both Janelle and I were invited to join the lunch, and it was a pleasure to see such a wonderful group of seniors come together to enjoy each other's company and dine on one of Joyce's famous roast dinners with all the trimmings. A big thank you to Jenni Dennis for organising the event and to all the volunteers that help the Cuerosity Shoppe to continue to serve the community of Cue.

We wish to thank the entrants for this year's Christmas Light Competition. It was a pleasure for the Councillors and myself to drive the streets of Cue and see the efforts made by some of the residents. Congratulations to the following winners.

- First prize (\$400) – Sandra Box
- Second prize (\$300) – Norm & Doris Lyon
- Third prize (\$200) – Michelle Lowen

Australia Day 2025 celebrations will be held on the town oval from 6.00pm Sunday 26th January, with fireworks, live music with Geoff Udy, food and refreshments. Celebrations for Australia Day have been made possible by funding from Auspire, part of the Australia Day Council National network. Councillors considered Australia Day active citizenship nominations at the November Council meeting and the recipients of these awards will be announced at the Australia Day celebrations.

The summer months are a time of storms and cyclones. Residents are reminded to clean up and remove any unwanted or loose items from their property that could cause damage in a storm. Larger items can be collected by contacting the Manager of Works and Services to make arrangements.

Dog owners are reminded of their obligations to keep their dogs contained within the boundaries of their property or on a leash while walking. Please be considerate of others as it can be quite confronting to be approached by an unknown dog while out walking. The Shire Ranger visits the area frequently and will take action against unrestrained dogs in public places. This may result in a financial penalty to the owner. The only authorised area within the townsite where dogs are permitted to be exercised off-leash is the town oval. It is your responsibility to control and look after your pets.

Mosquito fogging operations are being undertaken when weather conditions allow. Residents are asked to check their properties and remove any potential mosquito breeding areas, by emptying containers holding water, ensuring gutters are not holding water and checking yards for areas that hold water.

We ask everyone to be vigilant as the warmer weather brings out snakes in and around town. Please use caution when out walking. Keeping grass short and cleaning up around the yard will help to keep them away.

Upcoming Events:

- Sunday 26 January 2025 - Australia Day
- Tuesday 11 February 2025 - Annual General Electors Meeting
- Tuesday 18 February 2025 - Ordinary Council Meeting

Council News

Hi 'Dryblower' Readers,

I hope you all had a great Christmas and New Year. The 2024 year seemed to come and go so quickly. Looking back on 2024 it was a busy and productive year for Council with a number of notable achievements some of which included: -

- Two successful Sundowners, the running of the 'Cue Calcutta Cup' and Murchison Country Zone Meetings ('Cue Parliament') which were held in the CRC.
- The opening of the new 'Cue Fitness Centre' gym in Austin Street.
- Completion of the construction of the quality 7m x 7m Gazebo at the CRC.
- Re-election of former Shire President Cr. Ross Pigdon.
- Successful Australia Day celebration with Tracy Bachraty being awarded the Community Citizen of the Year Award for her outstanding service to the people of Cue.
- Attendances at various Murchison Regional Vermin Council meetings and successful WALGA State Council Meetings throughout the year as well as attending WALGA's Environment Policy Team meetings, Selection Panel and WALGA's Metropolitan Waste Advisory Council ('MWAC') Meetings, all of which provided great support for Local Government consideration.
- Introduction of reforms to the *Local Government Act 1995* which impacted both Councillors and Local Government Administrations.
- Attending the premiere of the movie, 'Before Dawn' which was partly made in the Shire of Cue and on Coodardy Station. The Shire was an early financial contributor and supporter of this very successful production and continues to support the growing culture and arts footprint.
- Adopting the 2025-2029 Corporate Business Plan.
- Successful ANZAC Day Service attended by many towns' folk and representatives from our mining and business community. It was a privilege to have Phil Gurney, a great grandnephew of Arthur Stanley Gurney attend the service and lay a wreath in Arthur's honour.
- Australia's 'Biggest Morning Tea' which was held at the CRC in the new gazebo.
- Councillors had the opportunity to attend 24th General Assembly of the Australian Local Government Association ('ALGA') in Canberra and the Western Australian Local Government Association ('WALGA') Convention in Perth.
- Shire Councillors were also invited to WALGA's Local Government Awards night which was held in Winthrop Hall at the University of Western Australia. These awards celebrate 'Excellence in Local Government'.
- The re-purchase of the Masonic lodge from the National, Trust was a significant event as was the progressing of key projects at the Masonic Lodge, the Old Gaol, the WA Bank Building and the Municipal Chambers in Robinson Street and reconstruction of the old Stables.
- Band 4 Local Governments across the State attended a meeting in Perth with the Hon. Hannah Beasley MLA Minister for Local Government and Youth, and the Minister Assisting the Minister for Training and Workforce Development and representatives from the Department of Local Government, Sport and Cultural Industries. The workshop was designed to identify Local Government issues and priorities in remote and regional WA.
- On a sombre note, Council was saddened to learn of the passing of longtime favourite Cue residents in Rodney Dongara and former Councillor, Petronelle ('Pixie') Pigdon whose funeral services were held in 2024. R.I.P

In finishing off the 2024 year the CEO, I and support staff attended the 'Keep Australia Beautiful' Awards at Ascot Racecourse on 29th November where the Town of Cue was awarded the WA Tidy Town Award in the Heritage Section. This is a fantastic achievement, and I thank Deputy CEO Glenn Boyes for his efforts in promoting the Railway Building Precinct Project and showing the Keep Australia Beautiful judges around our town and inviting them into some of our old heritage buildings. In speaking with one of the judges she was extremely impressed with the way in which our town continues to take care of and restore our well-known old buildings. Well done, Glenn!

On 2nd December Deputy President, Cr. Elizabeth Houghton, and I, along with the CEO and the Shire Finance Department attended the 2024 Audit Exit Meeting conducted by the Shire's Auditors AMD and the Office of the Auditor General. The outcome from the audit was very positive and I thank the Shire staff involved, the Audit Committee and the Councillors for their efforts in achieving yet another highly recognised result.

On 5th December the annual Volunteer's night was held at the Murchison Club Hotel. Thanks to Cr. Ian Dennis who delivered Council's message of appreciation for those who selflessly put themselves out to support our community in times of need. Volunteering, whether it is in the local Fire Brigade or Service, St. John Ambulance, or other available support services, makes a significant contribution to our town. If you have some time to consider how you can be a part of these services, please contact the Shire office and I am sure you will be most welcomed.

On 5th and 6th December, I attended WALGA's State Council Regional meeting ('South West Country Zone') which was held in the City of Busselton. Regional Meetings provide State Councillors with an opportunity to see firsthand what is happening in other parts of the State. Unsurprisingly, nearly all remote and country Local Governments experience similar issues and concerns around health, housing, job opportunities, staff retention, project funding, aged care, law and order along with other priorities.

On 7th December representatives from Council attended the Annual Town Christmas party at the Murchison Club Hotel. I thank those Councillors who did attend and trust that the night was enjoyed by everyone.

I and Councillors attended the monthly Shire Forum on 10th December where Councillors are given the opportunity to express their views and bring forth ideas and suggestions for future project work or simply looking at new ways of doing things in an around our town.

The CEO provided a progress report on a number of projects we are undertaking which include the Masonic Lodge, the Old Gaol, the WA Bank Building, the completion of the restoration of the old Stables and the work being carried out on the old Municipal Chambers in Robinson Street. Deputy CEO, Glenn Boyes, provided further background on the progress of the proposed development at the upgraded Railway Building. On behalf of Council, I thank Glenn for his dedication and hard work in working with the various agencies to accept our project and assist with the funding. Whilst funding from either the WA State or Federal Government has not been secured, we are nonetheless continuing to promote this as a very worthwhile project, particularly for the local children who can get involved with a series of engaging and worthwhile activities. We will keep you posted as information comes to hand.

On 11th December I attended WALGA's Environment Policy Team meeting where there was a focus on Native Vegetation and permits required for clearing along with a raft of other environment issues being considered by both the State and Federal Governments.

I also attended WALGA's Metropolitan Waste Advisory Council ('MWAC') meeting on 11th December where all things waste is considered. Waste across the world is now a serious concern and progress is being made to promote a 'Circular Economy', increase recycling and reusable waste and profit from the economic outcomes that can be achieved. Product Stewardship is now being looked at on a national level where manufacturers of packaged goods should be more accountable for their packaging and make a dedicated contribution to the control of waste and the amount that ends up in landfill.

The Container Deposit Scheme ('CDS') in WA has been very successful and since the commencement of the scheme approximately one billion containers have been sent to receiving points across WA. I am sure Cue has made a healthy contribution to those numbers! That is a significant achievement and MWAC is looking to support a proposal to include other containers in the scheme such as wine and spirit bottles.

The Shire Council held the last of its 2024 Council meetings on 17th December 2024 and followed up with a tour of the town to determine the winner of the Christmas Lights Competition. The winning entry was Phil and Sandra Box. 2nd Place went to Norn and Doris Lyons and 3rd Place to Michelle Lowen.

In closing off the year I would like to thank all of those on Council for their contribution to the continuing growth of our town. Many thanks to the CEO and his staff for their efforts during the year and Julie at the CRC for publishing the monthly 'Dryblower'.

Finally, thanks to all those who contribute to and continue to read the Dryblower.

Have a successful and prosperous New Year and keep safe. The Council looks forward to working with you in 2025.

Shire President
Les Price

SHIRE OF CUE FIRE RESTRICTIONS

Prohibited Burning Period

15th December to 31st March

STRICTLY NO BURNING

Restricted Burning Period

1st October to 30th April

PERMITS ARE REQUIRED

Firebreaks should be maintained for the whole of the restricted period.

SHIRE OF CUE FIRE RESTRICTIONS

TOWNSITES

On or before 1st October all town lots within the town sites of Cue and Tuckanarra are required to be treated as follows;

Where the area of land is less than 3,000m², the property must be cleared, mowed, slashed to a MAXIMUM height of 7.5 cm of all flammable material.

Where the area of the land is 3,000m² or more, a firebreak must be provided not less than 3 metres in width inside and along the whole of the external boundaries of the properties owned or occupied and all flammable material must be cleared a distance of 2.7m from all buildings and/or haystacks situated on the land and maintained free of such material until the 30th April.

FUEL STORAGE AREAS

On or before the 1st October all grass and similar material is to be cleared from such places where drum ramps are located and where drums, empty or full, are stored and such areas to be maintained cleared of grass and similar flammable material.

FARM BUILDINGS AND UNATTENDED ELECTRIC MOTORS AND HAY STACKS

Fire breaks at least 3 metres in width completely surrounding and not more than 20 metres from the perimeter of any building, group of buildings or haystacks, All flammable material must be removed from an area 2.7 metres in width immediately surrounding the building. All flammable material must be removed from an area 3 metres in width immediately surrounding an unattended electric motor site.

UNATTENDED FUEL OPERATED MOTORS

All flammable material must be removed from an area 3 metres in width immediately surrounding an unattended fuel operated motor whether the motor is intended to be used or not.

RURAL LAND

Firebreaks must be provided not less than 3 meters in width inside and along the whole of the external boundaries of the properties owned or occupied: where this is not practicable the firebreaks must be provided as near as possible to, and within, such boundaries.

BARBEQUES AND INCINERATORS

Gas and electric barbeques are permitted any time. Solid fuel barbeques and incinerators are PROHIBITED on days of VERY HIGH FIRE DANGER or above.

PENALTY

The penalty for failing to comply with this notice is a fine of up to \$5,000 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work in this notice, if it is not carried out by the owner or Occupier by the date required by this notice.

Are you passionate about your community?

Do you want to make change happen in your community?

Join us for a two-day **Changemaker Workshop – Mount Magnet**

24–25 March 2025 // 8.30am – 4.30pm

Sports & Recreation Centre, 50 Laurie Street, Mount Magnet, WA

Join a network of changemakers across rural, regional & remote Australia

- As a collective, delve into your region's readiness for change.
- Explore how change happens, practise how to adapt to change and how to overcome resistance.
- Become a changemaker, adapt your skills to enable your involvement in creating new and exciting things, managing setbacks and work collectively and purposefully with others.

Take part in diverse community conversations

- Understand the local ecosystem; undertake purposeful and inclusive engagement; step into informed and authentic conversations.
- Learn how to have those conversations, suspend judgement and assumptions, and build trust and transparency for connection and diverse relationships.

Create momentum within your community

- Unpack what forms and shapes a community.
- Learn how a community can be more inclusive.
- Considering the impacts of drought, trauma, and other events, gain the tools to better support others and balance giving and taking within a community.

Contribute to and inspire your community's future

- Explore ideas to shape the future you would like to see for your community.
- Understand the importance of language and the power of storytelling in motivating and mobilising others.
- Learn what makes a good story and how to connect with the hearts and minds of others.

REGISTER NOW ➔

This workshop is fully subsidised with thanks to the **Australian Government's Future Drought Fund**. It is delivered by the Australian Rural Leadership Foundation, as part of the Helping Regional Communities Prepare for Drought Initiative.

Note: This is a face-to-face workshop. All catering and stationery provided. Registrations close either when fully booked or 7 days before the workshop.

For more information visit rural-leaders.org.au or contact:
