Cue CRC Report

Wow! What another busy month we've had at the Cue CRC in May — and June is shaping up to be just as eventful.

In May, we continued with our regular Craft Group every Wednesday. It's been lovely to see some new faces joining in and getting creative. We also held our first Paint and Sip session, which was a great evening of colouring pre-printed canvases. Jodi showed off some hidden talent by painting a picture from scratch! She'll be leading our next Paint and Sip in June, where she'll guide attendees through painting their own artwork using just a few paint colours — we're really looking forward to it.

The Neighbourhood Week Luncheon was a great success, with around 20 attendees enjoying a delicious meal. A big thank you to Linkwest and Lotterywest for funding the event, and to the Murchison Club Hotel and the Queen of the Murchison for providing the fantastic food and desserts.

We also hosted the Seniors Morning Tea on behalf of the Shire of Cue, with around 14 attendees enjoying a relaxed morning of conversation and connection.

Due to popular demand, we ran two resin chopping board workshops — we had so many people interested that we needed to split the sessions! In total, we had about 13 participants, all of whom created some beautiful pieces.

And of course, we can't forget the Markets, which featured five stallholders showcasing a range of goods.

June is set to be another busy and exciting month at the Cue CRC!

We've got a fantastic line-up of events coming your way:

- 5th June, Department of Transport will be visiting
- 9th June, Paint & Sip
- 11th June RAW (Regional Alliance West) will be visiting
- 12 June, we're hosting the Biggest Morning Tea
- 14 June, it's time for our monthly Markets.
- 17th June, WEAAD (World Elder Abuse Awareness Day) Luncheon

We're looking forward to another wonderful month filled with community connection, creativity, and support. Hope to see you at some (or all!) of our events.

RAW Murchison Outreach

Our next Murchison Outreach trip during June 2025 will be to:

Meekatharra, Cue, Mount Magnet and Yalgoo during Tuesday 10th to Friday 13th June 2025.

RAW will have our Indigenous Woman's Paralegal (IWP) Mel and MoneyBusiness Outreach Worker Ash available to discuss any of your Legal or financial queries.

They will be at the following places if you would like to speak with either of them.

Tuesday 10th June

Meekatharra -

Yulella Community Hub 9am to 12pm

Mission Australia 1pm to 4pm

Wednesday 11th June

Cue -

Community Resource Centre 1:30pm to 3:30pm

Thursday 12th June

Mount Magnet -

Yulella Training Room 9am to 4pm

Friday 13th June

Yalgoo -

MEEDAC 10am to midday

Please contact our Geraldton office on **6234 8228** if you wish to book a free and confidential appointment.

From the CEO

Vale Councillor Leonie Fitzpatrick

It is with sadness that I acknowledge the passing of Cr Leonie Fitzpatrick, who passed away on Friday 23 May 2025 after a short illness. On behalf of the Shire of Cue we pass on condolences to Jim, Sam and family.

Leonie served as a Councillor at the Shire of Cue commencing 2012. Leonie will be remembered as having a sharp wit, wicked laugh and always engaged in Council meetings with spirited debate on issues close to her heart.

Leonie attended many events, representing Cue as a Councillor and people always remembered her because of her engaging personality and sense of humour. People Leonie met hardly ever knew where Cue was but after talking with Leonie, they were eager to visit Cue. Leonie's love for Cue was infectious.

We welcome Lisa Keen and her husband Michael to Cue. Lisa is joining the Shire of Cue as our new Deputy Chief Executive Officer and comes with a wealth of experience. Her leadership, insight, and passion for making a positive impact will be invaluable as we continue to work toward enhanced services for the Cue community.

Please join us in extending a warm welcome to Lisa as she steps into this key role. We look forward to the knowledge, energy, and fresh perspective she brings to our team and to the wider community.

The Shire has started opening a number of historic buildings at regular times to allow tourists and travellers the opportunity to see inside these iconic places. The Railway building, Bank building and Masonic Lodge building are now open at regular times for public viewing. Check out the Shire notice boards or visitors centre for opening times.

The Carey Right Track Foundation are attending Cue on a fortnightly basis to provide programs at the Cue Primary School and after-school activities at the Youth Centre.

On Wednesday 21 May the Shire hosted Gina Williams and Guy House at the Cue Shire Hall. Those who attended the night enjoyed beef and gravy rolls and wonderful entertainment by Gina & Guy.

Later this month a number of Councillors and I will fly over to Canberra to represent the Shire of Cue at the Australian Local Government Association conference in Canberra from 24 to 27 June 2025. It will be a very busy week with the Regional Development Forum held on the first day where Delegates have an opportunity to discuss a wide range of issues affecting regional local governments. This year's National General Assembly will focus on key national issues, including emergency management, safer roads, housing and community infrastructure, and local government jobs and skills. The final day will hold a Ministerial Engagement Forum, which allows delegates to engage directly with the federal government on current issues.

Barefoot bowls is on every Wednesday night from 6.30pm to 8,30pm. Everyone is welcome to attend this free event with all equipment provided.

Roadworks are ongoing on the Beringarra - Cue Road with resealing works, guidepost installation and grid replacement work all taking place over the coming months. Road users are reminded to slow down through road work areas and obey all traffic directions.

Dog owners are reminded of their obligations to keep their dogs contained within the boundaries of their property or on a leash while walking. Please be considerate of others as it can be quite confronting to be approached by an unknown dog while out walking. The Shire Ranger visits the area frequently and will take action against unrestrained dogs in public places. The only authorised area within the townsite where dogs are permitted to be exercised off-leash is the town oval. It is your responsibility to control and look after your pets.

Mosquito fogging will be carried out intermittently, when conditions are suitable. This is usually just before dusk but can also include early morning, to control their numbers.

Upcoming events:

- Monday 14 July - Alvin Sputnik, Deep Sea Explorer
- Monday 4 August - Jalley Entertainment, Aladdin

Richard Towell
Chief Executive Officer, Shire of Cue

Next Ordinary Council meeting – 6.00pm Tuesday 16 June 2025

PUBLIC NOTICE

Proposal to Impose Differential Rates

In accordance with section 6.36 of the *Local Government Act 1995* notice is hereby given that the Shire of Cue proposes to differentially rate mining tenements and pastoral holdings in those areas in which unimproved property values apply and residential, commercial and transient mining camps in those areas in which gross rental values apply.

Differential rates and minimum payments proposed for the 2025/2026 financial year are as follows:

Rate Type	Rate in \$ (Cents)	Category	Minimum \$
GRV Residential	0.112900	Gross Rental Value	515.00
GRV Commercial	0.112900	Gross Rental Value	515.00
GRV Vacant Land	0.112900	Gross Rental Value	515.00
UV Mining	0.242390	Unimproved Value	515.00
UV Pastoral	0.088910	Unimproved Value	515.00
GRV M & T Workforce	0.169350	Gross Rental Value	515.00

The objectives and reasons for each proposed rate may be inspected at the Shire Office at 73 Austin Street Cue, during normal office hours and can be viewed on Council's website www.cue.wa.gov.au

Written submissions are invited from electors and ratepayers regarding the proposed rates or minimum payments. All written submissions should be forwarded to the Shire of Cue – PO Box 84 Cue, WA 6640 by 4.00pm Wednesday 18 June 2025.

Council News

Hi 'Dryblower' Readers,

Welcome to the June 2025 edition of the Cue 'Dryblower'.

Now that the State and Federal Elections have been run and won, Local Governments across the State, in conjunction with the Western Australian Local Government Association ('WALGA'), have been looking closely at the various policies positions put to the electorate and the impact these policies are likely to have on the operations and statutory requirements of our Local Governments across the State.

The regions are again likely to be on the end of some budget restrictions and our call for improved health, mental health, and other Government services will likely remain unheard. The environment, climate change, renewable energy drive along with native vegetation clearing are now becoming a major focus of the State and Federal Governments as the 2050 net zero target date draws closer.

On 1st May 2025 I attended a Joint Environment and Infrastructure Policy Teams meeting to review and recommend WALGA's advocacy position on native vegetation clearing. There have been significant administrative issues around: -

- the imposition of statutory timeframes.
- Increasing the duration of clearing permits.
- Environmental data sharing.
- Increase in funding for Local Governments.
- Reducing duplication between State and Federal Government regulatory systems.
- Environmental impacts.

The joint Policy Team meeting considered a briefing on Road Safety, which is a major concern across the state but more so where there is intensive road haulage from mining and agriculture operations.

I attended a meeting of WALG's Metropolitan Waste Advisory Council, also on 1st May 2025. Some of the outcomes included: -

- The Municipal Waste Advisory Council endorsing the Better Practice Guideline to Waste Management at Public Events. The focus on waste avoidance as the first approach, followed by promoting reusable items to minimise waste generation.
- Encouraging the use of staffed waste stations, where possible, to ensure correct sorting and disposal of waste.
- Developing a draft Better Practice Guideline for Procurement of Waste Services to assist Local Governments in planning and procuring waste management services.
- Providing a concise overview of the waste procurement process. There is significant spend associated with waste management contracts and they are long term arrangements.

- Developing a Draft Position on the Circular Economy. At present a Background Paper is being developed for consideration.
- Discussion around the safe collection and disposal of end of life batteries and disposal points for e-cigarettes.
- WALGA is progressing to identify the work needed for an effective state waste infrastructure plan, contingency planning and governance around the disposal of waste.

On 7th May I attended WALGA's State Council Regional Meeting which was hosted by the East Metropolitan Zone and the City of Swan, this being one of WALGA's 17 Zones across the State. The meeting was held at the Vines Resort. Members of the East Metropolitan Zone include Bassendean, Bayswater, Belmont, Kalamunda, Mundaring and the City of Swan Local Governments.

As is customary, a Strategic Forum was held prior to the State Council Meeting. The Forum provides Councillors with an update of developments with the Local Government sector and enables State Councillors to have input into matters under consideration. Some areas of discussion included:-

- A presentation on the 'Containers for Change Scheme' performance outcomes. The containers recovered across WA since the inception of the scheme has exceeded 1Billion.
- A presentation on the Strategic Issues around 'Cyber Security Risk' involving resourcing, internal and external capability and IT Systems.
- A presentation on WALGA's 'Strategic Policy Agenda' with the prime focus being on:-
 - o Economic Diversification
 - o Housing
 - o Cost of Living
 - o Health
 - o Infrastructure
 - o Law and Order
 - o Regional Issues.

The formal State Council meeting endorsed WALGA's recommendations contained in the 'Regulations for CEO KPI's and public registers submission'. This has resulted from the draft Local Government Regulations Amendment Regulations 2024 (Draft Legislation), which give effect to reforms relating to the publication of online registers, publication of CEO performance criteria and performance review, and other CEO matters. These requirements will create further red tape and excessive administrative burden, which is in conflict with a stated aim of the reform and without clear public benefit.

State Council agreed to update its Puppy Farming advocacy position with a revised Dog and Cat Management position. State Council recommended pushing back on State Government around cost recovery around the administration and compliance with the Dog Amendment (Stop Puppy Farming) Act 2021, the Dog Act 1976 and the Cat Act 2011. The Local Government Sector has concerns regarding the PetsWA centralised registration system.

State Council recommended updating WALGA's *'Native Vegetation Clearing Regulations Advocacy Position'* with a focus on Statutory timeframes, extending Area and Purpose Permits for 10 years, sharing environmental data, improved case management referrals and clearing permits, investigation and enforcement action, adequate State Government funding and reduce and avoid duplication.

State Council endorsed WALGA's submission on:-

- Health (Public Buildings) Regulations Consultation to the Department of Health and .
- WALGA's 2025 State Wage Case submission to the Western Australian Industrial Relations Commission.

The meeting also received an update from WALGA's Policy Teams, these being: -

- Infrastructure.
- People and Place.
- Environment.
- Governance.

These Policy Teams are key drivers for the gathering of data and other information in the preparation of advocacy positions and various submissions to State Government for State Council consideration and recommendation.

Each of the East Metropolitan Local Governments presented on the various activities and projects being undertaken in each of their areas. The extent of grants and other funding being provided to the metropolitan Local Governments is exceedingly high although the respective CEO's would argue that they could do with more. I'm sure the Shire of Cue could do with a serious uplift in financial assistance considering the high value GDP which is generated within the Shire for State economic benefit.

Council held its monthly Forum on 13th June and welcomed Lisa Keen who commenced in the position of Deputy Chief Executive Officer and husband, Michael. Lisa attended her first Forum evening and saw firsthand the engagement of councillors and the administration in discussions around the activities and operations of the Shire.

The Forum was briefed by the CEO on the upcoming 2025/2026 annual budget. Councillors discussed the various items that are likely to impact our finances over the forthcoming year and discussed the proposed differential rates. The CEO also briefed the meeting on the current projects and proposed capital expenditure in the forthcoming year.

On 16th May Mike Fitzgerald from Fitz Gerald Strategies conducted the annual CEO performance Review. Councillors and the CEO were given the opportunity to discuss the outcome of the review and the expectations of Council for the year ahead. Council is fortunate to have a CEO who manages the financial and statutory obligations of the Shire in a

responsible and professional manner, such that this is the third year in succession that the Office of the Auditor General has cited the Shire of Cue in the top twenty performing Local Governments across the State.

Shire Council held its monthly Shire Council Meeting on 20th May. The meeting agenda was not burdensome, and council approved the Differential Rates Budget, the Differential Rates to be applied in rate notices for 2025/2026, superannuation contribution payments to Council members and the 2025 Financial Management Systems Review.

Please refer to the attached link for further details contained in the Agenda.

<https://www.cue.wa.gov.au/council-meetings/ordinary-council-meeting/ordinary-council-meeting/129/documents/ordinary-council-meeting-agenda-20-may-2025.pdf>

We were again saddened to learn of the recent sudden passing of another Cue resident and Shire Councillor in Cr. Leonie Fitzpatrick. Leonie was a valued member of our Council and one who made a great contribution to the betterment of our town and its residents. Leonie was active member of the Community where she first served on the Cue Shire Council in 2012. Leonie was active at Council meetings where she was more than capable of expressing her views when it mattered most. Leonie will be sadly missed by her many friends in Cue and by those from afar.

On behalf of the Council, I offer our deepest sympathy to Jim and the family and know that Leone will be sadly missed.

Readers, please feel free to contact myself or any of the other Councillors if you have a matter you need to bring to the attention of Council and the Administration. Can I also suggest that you give consideration to attending a Council meeting and get a firsthand account of the business of Council and how our meetings are conducted, and the process councillors go through in considering matters for decision. With the upcoming Local Government Elections in October 2025, you may want to consider running for Council. To serve the Community on Council is a rewarding experience.

Keep safe and....until the next edition of the Dryblower, it's goodbye for now!

Shire President
Les Price

The Perth Mint State Batteries Program

Between the late 1890s and the 1950s the WA Government established 73 state batteries in mining towns. These ore crushing facilities supported small-scale miners and prospectors who lacked the scale of operations to justify their own facilities.

The Perth Mint is responsible for managing 22 State Battery sites. Some of these sites require maintenance works and further investigation.

You may see our team or contracting partners at the State Battery site near you undertaking these works.

We are engaging closely with the WA Government and other stakeholders as we progress these works.

For more information visit our website at
www.perthmint.com/state-batteries or

MAY 2025 ACTIVITIES

The evening of the 12th of May the CRC hosted a paint and sip. The people attending came in and sipped some wine while painting their masterpieces, it was a great night of friendly company and chatter.

The Community Luncheon held on Friday 16th at the Heritage Centre saw about 20 of us gathered and enjoy a roast lunch courtesy of the Murchison Club Hotel and some cake from the Queen of the Murchison.

The 17th of May saw our third Market Day this year. With five stalls, including a very popular baked goods stall. With the sounds of merriment and laughter in Cue, it was a resounding success.

With the resin workshops being so popular we decided to host two in May, one on the 10th and the second on the 25th. Both workshops were a huge success. With a great turn out of people and a variety of colours in their designs.
