Cue CRC Report

What a busy but wonderful month we had here in June. July will be a little quieter but that just gives us time to prepare and plan more events in the following months!

In June we had Department of Transport and Regional Alliance West both stop in for a day and help the community, they travel here sporadically so be sure to make use of them when they are here. Then the CRC had a packed two weeks full of events, we had our second Paint & Sip at the CRC where attendees had the chance to let their artistic side flourish. Some great paintings were created by the end of the night.

Our Biggest Morning Tea was an astounding success with over \$2000 being raised at the CRC for the Cancer Council. A further \$1000 was donated by the Cue-rosity Shoppe which we are very thankful for, bumping our grand total right up! A plethora of delicious cakes were prepared with help from some volunteers that we sold on the day. We appreciate the help from all involved.

Our monthly Market Day at first look seemed to be a quiet affair then we had a few calls come in for people booking stalls, including a soft serve ice-cream machine. We had a massive turnout, so much so we struggled to keep track of all the people coming down and chatting the morning away.

Lastly we had World Elder Abuse Awareness Day where we took the bus up to Meekatharra with our community members and had a luncheon at the Royal Mail Hotel. The food was delicious and the company was great. Everyone who attended left with a generous goody bag filled with treats and a lot of information about how to spot and stop Elder Abuse.

Our weekly craft group is still going strong with some wonderful diamond art and crocheted rugs. The regulars enjoy catching up with some tea and biscuits while working on their pieces.

July is a quieter pace while we prepare for more activities later in the year. We are however will be hosting our usual Market Day which will take place on the 19th July as well as our craft group which will carry on as normal every Wednesday.

THANK YOU!

The Cue Community Resource Centre would like to thank all the volunteers who cooked for us and helped on the day.

A huge thank the Cue Op Shoppe for their kind donation of \$1000. Thanks Joyce at the Queen of the Murchison for the yummy muffins, Cue Sub-Centre for the great First Aid kit. Thank you Bunnings Geraldton donated \$100 gift card and Vanessa Australia for the Gold prizes donated for the cause. Also thanks Coral from West Coast Seafood for donating to our seafood raffle.

We are happy to announce the final tally that Cue raised for BMT 2025 was \$3111.50.

CHAIR YOGA

FREE SESSION

FRIDAY 4th JULY - 10am-10:45am

CUE SHIRE HALL

54 Dowley Street, Cue, 6640

Run by Sandy van Mourik

From the CEO

The Shire continues the opening of a number of historic buildings at regular times to allow tourists and travellers the opportunity to see inside these iconic places. The Railway building, Bank building and Masonic Lodge building are now open at regular times for public viewing. Check out the Shire notice boards or visitors centre for opening times.

On Thursday 19 June 2025 the Shire in conjunction with Craig from XL2 held a quiz night at the Shire Hall as a fundraiser for the Variety Bash. It was a vibrant night with about 60 people vying for some fabulous prizes. We would like to thank everyone who came along and made the night such a success. Also a big thank you to my staff who made the hall look great and ensured everything ran smoothly on the night.

The Carey Right Track Foundation are attending Cue on a fortnightly basis to provide programs at the Cue Primary School and after-school activities at the Youth Centre. This initiative is a collaboration between Westgold Resources, Cue Primary School and the Shire of Cue.

In the last week of June a group from the Shire of Cue and other representatives from Murchison shire's, flew over to Canberra to represent at the Australian Local Government Association convention. It was a non stop week of activity. The week started with the Regional Cooperation and Development Forum which addressed disaster resilience, safer regional roads, mental health in regional communities and the State of the Regions by Bernard Salt AM. The main conference was across two days, and the week finishing with the Ministerial engagement forum. Numerous presenters spoke on the theme of National priorities need local solutions. Her Excellency the Honourable Ms Sam Mostyn AC, Governor General of the Commonwealth of Australia provided a welcome and address along with Federal Minister the Hon Kristy McBain who spoke on a number of topics and occasions. This year we had around 1300 delegates from all around Australia attend, with around 190 motions debated, all focussed on advocating for more funding support for local councils, more funding for roads, housing, infrastructure, our environment, and lots more. Speakers at the conference covered topics including how AI is shaping our future and how this might look, local government jobs and skills, housing and community infrastructure, safer roads, emergency management and leadership in an ever changing climate.

Roadworks are ongoing on the Beringarra - Cue Road with resealing works, guidepost installation and grid replacement work all taking place over the coming months. Road users are reminded to slow down through road work areas and obey all traffic directions.

Barefoot bowls is on every Wednesday night from 6.30pm to 8,30pm. Everyone is welcome to attend this free event with all equipment provided.

Dog owners are reminded of their obligations to keep their dogs contained within the boundaries of their property or on a leash while walking. Please be considerate of others as it can be quite confronting to be approached by an unknown dog while out walking. The Shire Ranger visits the area frequently and will take action against unrestrained dogs in public places. The only authorised area within the townsite where dogs are permitted to be exercised off-leash is the town oval. It is your responsibility to control and look after your pets.

Mosquito fogging will be carried out intermittently, when conditions are suitable. This is usually just before dusk but can also include early morning, to control their numbers.

Upcoming events:

- Wednesday 9 July – Naidoc Blue Light Disco (for children)
- Friday 11 July – Naidoc Colour Run (for children)
- Monday 14 July - Alvin Sputnik, Deep Sea Explorer
- Monday 4 August - Jalley Entertainment, Aladdin

Council News

Hi 'Dryblower' Readers,

Welcome to the July 2025 edition of the Cue 'Dryblower'.

The 2025/2026 financial year is already underway and if we look back over the last 12 months, we, as a community, have achieved a lot to ensure Cue is a place where people want to work and live and tourists want to visit.

Your Council has worked closely with the Administration over that time to deliver on the Shire's Corporate Business Plan in line with the 2023 to 2038 Strategic Community Plan, which was reviewed at our last Council meeting on 17th June 2025.

A lot of work has gone into developing these plans on behalf of our town so please take the time to review both plans on the Shire's Website. Council is always looking to engage with the Community and have some feedback which we can consider and incorporate into the plans.

<https://www.cue.wa.gov.au/documents/35/strategic-community-plan-2023-2038>

<https://www.cue.wa.gov.au/documents/242/corporate-business-plan-2026-2030>

Whilst we have achieved much there is still a lot to do. As a Shire we punch above our weight, and it is a testament to those on Council and within the Administration for the high level of achievement. Our audit outcomes are at the highest level and our financial management is responsible and strong.

On 4th June 2025 I attended the Western Australian Local Government Association ('WALGA') State Council Forum. The Forum is informal and provides State Councillors with an update on developments with the Local Government sector and enables Councillors to have input into matters under consideration. The WALGA State Council represents all 139 Local Governments across the State and with a new State and Federal Government it is important that we provide policy and advocacy direction in line with the agenda of both levels of Government. Some are-as discussed included:-

- A review of the draft budget for 2025-26.
- A presentation by the Department of Primary Industries and Regional Development ('DPIRD') on the State's preparedness for the possible arrival of the H5 Bird Flu. The flu is not yet in Australia but with migratory birdlife from across the world being the carriers the State is gearing up for its likely spread into WA.
- The Forum also received a presentation on WALGA's Corporate Governance Charter review currently underway. State Council reviews and updates the Charter to ensure all governance practices continue to be relevant, best practice and fit for purpose.

On 10th June the Shire Council Forum was held at which time the CEO acknowledge the sad passing of Cr Leonie Fitzpatrick, who passed away on Friday 23 May 2025 after a short illness. Leonie made a significant contribution to our Council and will be sadly missed.

- The CEO advised that he had been in contact with the West Australian Electoral Commission ('WAEC') and the Department of Local Government to inform them of the extraordinary vacancy on council as a result of the passing of Cr Fitzpatrick. Notification was received that the vacancy will remain until the next ordinary election in October 2025 at which time elections will be held to fill four (4) vacancies.
- The Shire has opened a number of historic buildings at regular times to allow tourists and travellers the opportunity to see inside these iconic places. The Railway building, Bank building and Masonic Lodge building are now open at regular times for public viewing.
- The Forum received a report from then CEO that the Carey Right Track Foundation are attending Cue on a fortnightly basis to provide programs at the Cue Primary School and after-school activities at the Youth Centre0. This is a great initiative involving the Shire of Cue, Cue Primary School and Westgold Resources Ltd.
- The Forum was provided with an update on the upcoming Australian Local Government Association ('ALGA') National General Assembly to be held on Canberra. This is an important event which will see representatives from Meekatharra, Mount Magnet, Yalgoo and Cue attend to represent our local Shires.

On 11th June I attended the Murchison Regional Vernon Council ('MRVC') meeting in Mt. Magnet. This is an important Council which has the responsibility of controlling wild dogs within its jurisdiction. The Council is comprised of representatives from Sandstone, Yalgoo, Mt. Magnert and Cue.

On 16th June WALGA held a State Council Agenda briefing for Zone Chairs. As one of the outcomes of the recent Performance Evaluation survey and workshop conducted with State Council, WALGA are introducing a new process to support the preparation of Zone Chairs in respect to State Council Agenda items ahead of their respective Zone meetings.

On 17th June 2025 I attended WALG's Selection Committee meeting to determine a number of positions within the framework of Local Government including positions on:-

- WA Biosecurity Council.
- WA Environmental Health Professional Review Board.
- No nominations were received for the position on the Local Health Analytical Authorities Committee

On the evening of 17th June, the Shire held its monthly Council meeting. A number of matters were considered and include:-

- Adopting the review of the Shire of Cue Strategic Community Plan 2023 - 2038 as presented to the meeting.
- A review of the CEO's Key Performance Indicators for the next financial year.
- Considering the quotes for the provision of supply and spray CRS emulsion for the re-sealing of Cue Shire roads.

The Australian Local Government Association ('ALGA') held its National General Assembly in Canberra on 24th to 27th June 2025. The Murchison region was well represented with Councillors and Staff from Meekatharra, Mount Magnet, Yalgoo and Cue, along with 122 other delegates from WA attending to share ideas and understand how other Councils are dealing with all matters Local Government. The Assembly combined a Regional Forum where speakers and presenters provided the Assembly with various topics of interest to Local Government.

Various Ministers and Shadow Ministers provided an overview on the direction the Government was taking in the current term. What was obvious was the call from Local Governments across the country for the Federal Government to increase funding to support programs, maintain roads to an acceptable level and improve community standards of living. There was a lot of discussion around ALGA seeking Federal Assistance Grants to 1% of Australia's Gross Domestic Product however; this is unlikely.

June 2025 was a little less hectic than preceding months' activities but nonetheless still a busy time. Readers, please feel free to contact myself or any of the other Councillors if you have a matter you need to bring to the attention of Council and the Administration. Council is always looking to the community to provide input into the future direction of our town.

Keep safe and....until the next edition of the Dryblower, it's goodbye for now!

Shire President
Les Price

QUIZ NIGHT

On the 19th June the Shire along with XL2 held a fundraising quiz night on behalf of the Variety Club. The night was a fantastic success and many turned up for a lively evening filled with challenging trivia, laughter, and great company. A range of exciting prizes were up for grabs, adding to the fun and competitive spirit. Everyone left with smiles and memories of a fun-filled night. Over \$700 was raised by the end of the night for a great cause so a huge thank you to everyone that came!!

JUNE 2025 ACTIVITIES

On the 9th of June we held our second paint and sip. We had 8 attendees join us who chatted away while sipping some wine and letting their artistic side shine. We had some great paintings created at the end that everyone should be very proud of.

The CRC held a Biggest Morning Tea on the 12th of June to raise money for the cancer council. It was a lovely morning with delicious cakes and treats. There was a great turnout with about 60 people to show their support. We raised over \$3000 which is phenomenal.

The 14th of June saw our fourth Market Day this year. There was a fantastic turnout of both stalls and buyers alike. Hanging light bottles, paintings, games and jewellery were just some of the great things on offer. A great day was had by all.

World Elder Abuse Awareness Day is celebrated every year in June. To raise awareness for such an important issue the local elders were taken to Meekatharra for the afternoon for lunch. The food and company were both great and attendees went home full of food and knowledge.

TAKE A LOOK
AT WHAT WE
HAVE BEEN UP
TO

FAREWELL

It is with mixed emotions that we farewell Michael Henderson, our valued Principal.

Through his calm, organised, and compassionate leadership, Michael created a safe and supportive school environment built on trust and respect. His dedication and positive impact on our students, staff, and community will be long remembered.

Michael will be greatly missed, but his legacy will continue to inspire us.

Carey Right Track Foundation

Every fortnight, we have been lucky enough to have Jess and Regan come to Cue where they not only provide a helping hand at school but also run the youth-centre. They promote fitness and fun, encouraging physical health whilst also strengthening social bonds and emotional wellbeing among the students.

The Kindy-Year 2 students visited the CRC to learn some of the history of the town. They had fun doing a treasure hunt and found a lot of interesting artefacts.

We had a visit from Dr. Carter and his awesome team for general health checks!

The Year 3-6 class had a blast in Science making a solar-powered oven...and then enjoyed some S'mores!

The high school students have been busy with their online lessons, working hard every day.

Upcoming Events

- New Principal starting Term 3
- Students return to school 22nd July
- NAIDOC Week in Week 2
- Year 3-6 Camp in Week 10
- And lots more to come...

PBS STARS

These students have been showing our school values by being **respectful, responsible, kind and achievers**. Keep up the great work Cue kids!

The Cue St John Ambulance Subcentre are thrilled to announce that our fantastic volunteer Tracy Bachraty has been awarded a prestigious Commandery Commendation by the Order of St John in recognition of her outstanding and selfless service to the community and the organisation.

Tracy has been an integral member of the Cue Sub Centre since joining in March 2020. Over the past five years, she has consistently gone above and beyond the expectations of her voluntary role, becoming the backbone of the Sub Centre's operations. Tracy's leadership, dedication, and compassion have been instrumental in keeping the Cue ambulance service running smoothly.

Her tireless efforts in volunteer recruitment, mentoring, and retention have helped sustain and grow the local team, and she has proven time and again to be a reliable and unwavering presence during both routine duties and high-pressure emergencies. Beyond frontline duties, Tracy has been a driving force behind the improvement of local training facilities and has generously given her personal time to support the skill development of fellow volunteers. Her contributions have helped ensure that Cue's emergency responders are not only capable, but confident and well-prepared.

Tracy's service exemplifies the values of St John, whether providing clinical care in challenging environments, supporting grieving families, or fostering inclusion and collaboration among volunteers and the wider community, her actions continually reflect the very best of what it means to be an ambulance officer.

Please share your congratulations and gratitude for her exceptional service and well-deserved commendation the next time you see Tracy around town. Better yet consider joining Tracy as a volunteer.

As Tracy was not able to make the Investiture Ceremony the GCEO of St John Ambulance WA Kevin Brown came to present Tracy with her Commendation accompanied by DOM of St John WA Samantha Boxall with CEO of the Shire of Cue Richard Towell.
