2. PUBLIC QUESTION TIME

Mr Terry Bloxsome, 65 Stewart Street, Cue

When are we going to get some management at the Depot?

Are we going to go through whipper snippers during the town clean up or use poison?

Does Council own the RV Park?

The Chief Executive Officer advised that the land is a reserve which is vested in Council.

Has water been put in yet? There is a water meter and a tap, is that the finished water where it is?

The Chief Executive Officer advised that he was not aware of the details of the water connection.

What is the benefit of the Oasis?

The Shire President advised that the Oasis was a benefit to tourists, providing somewhere to stop, have lunch and access toilets nearby.

The Chief Executive Officer added that it provided a financial benefit to ratepayers by creating income through the Tourist Park and town businesses benefited when tourists purchased fuel and supplies.

A decision was made at a previous meeting to drop the price of water from the standpipe, what does Council charge now? Why does standpipe water in Cue cost twice as much as in Meekatharra?

The Chief Executive Officer advised that he did not have the information to hand, but the background to the new price of standpipe water was in the relevant report to Council and the opportunity to ask questions in relation to that matter was available during question time of that meeting.

Why did the Shire hook into Water Corporation bores and take thousands of litre of water to do the roads?

Was the Oasis on the four year plan? Are pictures/plans available? Could the plans be placed the on the public noticeboard?

The Chief Executive Officer advised that plans were placed in The Dryblower months ago and several invitations have been made for the public to come in and view the documents.

Why is the Shire so involved with it?

What made Council put Oasis where it is? It is a blind corner and is dangerous.

The Chief Executive Officer advised that Main Roads WA were consulted on the plans and did not consider the intersection to be of concern.

Why did the Shire charge us to drop sewage at the sewage farm? There is no maintenance done, it is overgrown by grass, has been condemned and is illegal.

The Chief Executive Officer indicated that maintenance has been performed at the effluent ponds and that an investigation into the history of the existing deep sewer system shows that it has never been officially recognised.

Why are things referred to as 'training'? Aren't there competent operators? Why were two people operating a lawn mower?

The Chief Executive advised that the machinery in use was actually a vertimower and that a new employee was being instructed in its use. He also advised that the Shire employs young people and they need to be trained in the correct use of equipment as a matter of safety.

Davyd Hooper, 2 Austin Street, Cue

Do councillors think they would benefit from an information session regarding the Marshall Street intersection and my concerns regarding the current plans for the treatment of that intersection?

ORDINARY MEETING – 21 FEBRUARY 2017

It was decided that the Shire President, Chief Executive Officer and other interested Councillors would meet with Mr Hooper on Wednesday 22 February 2017 at 10:00am to discuss Marshall Street intersection.

All unanswered questions were taken on notice.

Angela Hooper, 2 Austin Street, Cue

What is happening with condemned house opposite roadhouse?

Chief Executive Officer advised that the shire is currently finding someone to remove the asbestos. Once the asbestos has been removed then the building will be demolished. He also advised that the Council is currently in discussions with the owner as to the future of the site.

8.4 RE-ADOPTION OF THE 2015-2016 ANNUAL BUDGET.	
APPLICANT:	Shire of Cue
DISCLOSURE OF INTEREST:	Nil
AUTHOR:	Richard Towell – Manager Finance
DATE:	19 January 2017
Matters for Consideration:	
Re-adoption of the 2015-2016 Annual Budget following Ministerial approval to impose minimum rates in the GRV Vacant Land category as detailed in Appendix 5	
Background:	
<p>Jenni Law, Director Local Government Regulation and Support with the Department of Local Government and Communities, wrote to council on 16 December 2015 advising that a review of the Shire's 2015/16 annual budget had identified that the Shire of Cue had imposed GRV-based differential general rates and minimum payments that did not comply with the <i>Local Government Act 1995</i>. The reason for non-compliance was that the Shire did not seek Ministerial approval to adopt a minimum payment that would apply to more than 50% of the properties in the GRV Unimproved (Vacant Land) category (minimum payments in this category actually applied to 100% of the properties).</p> <p>Under the recommendation of the Department, the Shire applied to the State Administrative Tribunal to have the rate quashed. The decision to have the rate quashed was passed down on 28 July 2016, see Appendix 4. The Shire applied to the Minister for Local Government to impose minimum rates in the GRV Vacant Land category for the 2015-2016 financial year and had this application approved on 22 December 2016, see Appendix 4.</p>	
Comments::	
<p>The process of re-adopting the quashed rate requires Council to re-adopt the Annual budget for the 2015-2016 financial year. This process is required for the correct imposition of rates in accordance with the <i>Local Government Act 1995</i>. The re-adoption will have no effect on the current financial position of the Shire and will not affect the rates raised for the 2015-2016 financial year.</p>	
Statutory Environment:	
<p>LOCAL GOVERNMENT ACT 1995 - SECT 6.35</p> <p>6.35 . Minimum payment</p> <p>(4) A minimum payment is not to be imposed on more than the prescribed percentage of —</p> <p>(a) the number of separately rated properties in the district; or</p> <p>(b) the number of properties in each category referred to in subsection (6), unless the general minimum does not exceed the prescribed amount.</p> <p>(5) If a local government imposes a differential general rate on any land on the basis that the land is vacant land it may, with the approval of the Minister, impose a minimum payment in a manner that does not comply with subsections (2), (3) and (4) for that land.</p>	

(6) For the purposes of this section a minimum payment is to be applied separately, in accordance with the principles set forth in subsections (2), (3) and (4) in respect of each of the following categories —

(a) to land rated on gross rental value; and

(b) to land rated on unimproved value; and

(c) to each differential rating category where a differential general rate is imposed.

LOCAL GOVERNMENT (FINANCIAL MANAGEMENT) REGULATIONS 1996 - REG 52

52 . Percentage prescribed for minimum payment (Act s. 6.35(4))

The percentage prescribed for the purposes of section 6.35(4) is 50%.

LOCAL GOVERNMENT ACT 1995 - SECT 6.82

6.82 . **General review of imposition of rate or service charge**

(1) Where there is a question of general interest as to whether a rate or service charge was imposed in accordance with this Act, the local government or any person may refer the question to the State Administrative Tribunal to have it resolved.

(3) The State Administrative Tribunal dealing with a matter referred to it under this section may make an order quashing a rate or service charge which in its opinion has been improperly made or imposed.

Financial Implications:
